Jean Sheldon Wins Beautiful Baldwin Piano At Music World

Pictured is Don Kemp of Music World congratulating Jean Sheldon, winner of a beautiful Baldwin piano. Las Vegas radio history was made when local Las Vegas, Jean Sheldon, devoted music lover and radio listener called KMZQ (Klassy 100 FM) radio and correctly identified a popular song. Her prize was a new Baldwin piano presented by Music World and Baldwin Piano & Organ Company. Sheldon mentioned that in the past she had registered several co-workers and herself in various contests and although her friends had been winners, she had never before won anything in her life. She certainly hit the jackpot with Music World's beautiful Baldwin Piano.
