

Visit By Russians To Israel May Still Take Place As Planned

PARIS (JTA) — A visit to Israel by a Soviet delegation of consular level will take place as planned, according to a report from Moscow, though the date was not announced. The delegation "has not yet bought its plane tickets but the visit has not been cancelled," Gen-nady Gerasimov, chief of the Soviet Foreign Ministry's Information Directorate, told a press conference.

This contradicted a report from Kuwait last week which quoted the visiting Soviet Deputy Foreign Minister Vladimir Patrovsky as saying "We have decided to cancel the visit" because Israel made propaganda use of it.

Israel welcomes the visit but maintains that a similar Israeli delegation should go to

Moscow. Gerasimov said earlier there

would be no exchange visits between the two countries.

Zionist Youth Hold Vigil For Soviet Jews

NEW YORK — David Harris, (standing), Deputy Director of International Relations of the American Jewish Committee, discusses the Soviet Government's policy toward Jews since 1985 during an all-night vigil for Soviet Jewry held by Hashachar, the Zionist youth organization of Hadassah, the Women's Zionist Organization of America. The youngsters held the vigil at Hadassah House on West 58th Street in Manhattan before joining the "Solidarity Day" March for Soviet Jewry the next day.
