Paddlewheel Launches New Hotel And Shows In The Delta Queen Showroom

The Paddlewheel Hotel & Casino, once known as a children's "playground" with its kiddy arcade and amusement rides, is now the hottest adult playground anywhere in Las Vegas.

When you walk up the gangplank at the Paddlewheel, you will find a sparkling brand new casino and exciting lounge plus the Delta Queen Showroom featuring two of the most sizzling and pulsating shows to ever hit the Las Vegas entertainment scene -- Norbert Aleman's "Hot Lips" and Bob Pasquale's "The Heat Is On."

"Hot Lips" stars the comedy of Pete Barbutti, who has made some 100 appearances on the "Tonight Show," "Letterman," and several of the other talk shows. In addition, "Hot Lips" features the magical wizardry of sexsational Valentino, who changes silks to candles, diminishes cards, produces ducks and amazingly, changes a duck to one of the fabulous "Hot Lips" dancers, Nicole Navarro. Songstress Candice Gold is also featured in this sensuous show. At just 20, Candice is a seasoned performer, having worked the Broadway stage in "Annie" in the title role and sharing the stage with such prestigious names as Sinatra, Liberace and Bob Hope.

"The Heat Is On" stars the Male Express, who are six "hunky" men who take it off for the delight of their all-female audiences. Unlike many "male strip shows," "Heat" has loads of production value, 6 p.m. to 2 a.m. and the showcase is presented 8 p.m. to 2 a.m. Anytime you're in the mood to eat, the Country Kitchen is ready to serve your every need 24 hours a day.

TEL AVIV (JTA) — Six children in Rishon le-Zion were injured, four of them seriously, by a piece of fiberglass roof that blew off a sixth-floor penthouse on a nearby building and landed on them.

The children were playing football in their schoolyard during recess.
