

### 4,000 Jews Expected in Warsaw For 45th Anniversary Of Uprising

NEW YORK (JTA) — Congress Bureau in Warsaw and a major organizer of the convocation, estimated during a recent visit here that Israel would send more than 1,000 delegates and that Jewish youth groups would send more than 1,500, including 300

from the United States and Canada.

Soviet Jews also have been invited, he said, and groups from Australia, Eastern Europe, South Africa and South America also will attend.

About 2,000 people attended the 40th anniversary commemoration in 1983.

The major events of

the anniversary are planned for April 18 and 19, the Polish official said.

A monument paying tribute to the ghetto heroes, who killed hundreds of better-armed German troops over two months, will be dedicated. The monument is being completed at the site of the Umschlagplatz, where the Nazis put 300,000 Jews on trains bound for the Treblinka death camp.

At the commemora-

tion, buses will take the visitors 90 miles north to Treblinka, where a vast plain now covers the bodies of the victims, for recitation of the Mourner's Kaddish.

The April 19 ceremonies will include the laying of wreaths at the Warsaw Ghetto Monument and the Tomb of the Unknown Soldier by Jewish visitors and non-Jews.

Officials from the Yad Vashem Holocaust memorial and museum in Jerusalem will honor

more than 100 Polish citizens for risking their lives to aid Jews fleeing the Nazi forces.

Leaders of Poland and other nations will speak about the commemoration at the Congress Hall of the Palace of Culture and Science.

Polish Jewry numbered 3 million people before the Holocaust, and the community now comprises 5,000 to 10,000 Jews.
