Ner Tamid Brotherhood continues to grow and to prosper. The Fourth Annual Parking Lot Sale is history and can be declared a positive success. The Temple appreciates the donated items and a special Thanx to those who contributed their time and energies to organize, sort, pick up heavy items and to staff the sale. Now is the time to start collecting your "stuff" for next year's sale.

Caesars Palace President
Reappointed To National
Association Leader**

LAS VEGAS — W. Dan Reichartz, president and chief operating officer of Caesars Palace, has been reappointed the 1989 chair of the American Hotel & Motel Association's (AH&MA) Hotel/Casino Committee and appointed 1989 chair of the Copyright Music Committee.

Reichartz has been active as an officer and board member of numerous hotel, restaurant, tourism and travel associations. Born in 1946 in Rheydt, Federal Republic of Germany, he graduated in 1964 with a major in hotel and restaurant management from Hotel Gewerbe Fachschule Moenshengladbach.

Reichartz arrived in the United States in 1965. He worked in hotels in various capacities before becoming president and chief operating officer in 1983 of The Homestead, a privately held destination resort near Hot Springs, Va. He served as vice president and general manager of The Waldorf-Astoria Hotel in New York City prior to

There will be 2 separate booths in operation. One is to be located at the corner of Eastern and Sahara and the corner of Eastern and Tropicana in Albertson's parking lot.

Both stands are in need of people to participate in working the booths. This is a great opportunity to help both the Temple and the Brotherhood profit greatly. The eternally effervescent Jerry Cohen has agreed to chair this venture — he has had experience with this kind of fundraiser in Calif. The booths will open at 9 a.m. — so if you can staff the booth anytime during the day, but all means call the Temple office at 733-6292 and tell us when you can serve.

Sisterhood presidency — to pass from Mary Fox to Hortense Alper. We wish to congratulate Mary for a job well done — she held the reins of office for the past three years. She will turn the gavel over to Hortense and we wish for her a productive term.

Friday, June 2nd marked the confirmation of six students from the congregation. This is truly a milestone for our Temple Family. Each of the students attended religious school since kindergarten and wrote and prepared a special service in honor of this occasion. The Temple is very proud of these young people who have shown a devoted interest to Judaic studies. With a nucleus of such a group of dedicated Jews — the future of our people is indeed in good hands.

assuming his position at Caesars Palace.

The AH&MA Hotel/Casino Committee provides a forum for the exchange of ideas for improving casino operations and identifying the most important problems and opportunities facing hotel/casino operators. They negotiated a contract with ASCAP and BMI resulting in standardization of a non-binding contract available to all lodging properties.

The AH&MA is a federation of state and city hotel/motel associations throughout the United States, Puerto Rico and the Virgin Islands, comprised of individual hotels, motels and resorts who represent nearly one-half of the total number of transient guest rooms in the U.S. In addition, AH&MA has 800 allied members who provide services to the lodging industry. AH&MA and its member associations serve the traveling public by providing information on a wide variety of subjects including tips for travelers and listings of member hotels and motels in specific areas. The Association provides its members with operational, technical, educational, marketing and communications services, informs them of career opportunities in the lodging industry and represents them in governmental affairs.

Lebanese Hijacker To Appeal Conviction And Life Sentence

BONN (JTA) — Lawyers for Mohammed Hamadei said they would appeal the life sentence a Frankfurt court imposed on the Lebanese hijacker recently.

The penalty is the most severe possible under German law, which does not permit capital punishment. But Hamadei seemed unmoved and smiled when it was pronounced.

He was taken immediately to a maximum-security prison.

Hamadei was convicted of the June 1985 hijacking of a TWA airliner bound from Athens to Rome and the murder of a passenger, U.S. Navy diver Robert Stethem.
