THE OLD STORY

The postoffice at Candelaria, Nevada, has been discontinued. At one time Candelaria was one of the richest camps men to the scene, and a few buckets of in the west, and has a bullion record of \$18,000,000, and in its palmy days large section of the 700f and fly were boasted of a population of 7,000 to 8,000. The decline in silver several years ago put the camp out of commission, and it has never recovered from the slump, although it is claimed that
