## FOURTH OF JULY

### Eagles Work for Success of Celebration

The various committees of the Eagles' Aerie are busy concluding arrangements for the Fourth of July celebration.

Everything possible is being done to insure an enjoyable time to those who elect to participate in the day's festivities.

The program at the Ranch will not commence until noon, but many will go in the early morning, taking their lunches, to remain all day in the shady glen. Others will remain to witness the ball game up town, leaving for the Ranch about noon.

Free transportation will be provided to and from the Ranch.

Women who desire to have the conveyance call for them at their homes can leave word at Thomas' grocery store and the committee will see that they are taken care of. This provision is made more particularly for the convenience of women with small children and luggage, who would find it a task to walk up town.

The program at the Ranch, while subject to changes, will be substantially as follows:

#### NAME WANTED

A Week's Board Awarded for the Lucky Word

Mrs. Albert Simmons wants a name for her dining parlors on First street. She has decided to leave it to the public. A week's board will be given to the person whose suggestion is accepted.

Write your suggestion, sign your name and leave at the restaurant. A committee will be selected from among the regular patrons to make the choice. Everybody can enter the contest.

You'll have to hurry, because the restaurant is struggling along without a name. (1)

#### WILL ENLARGE HOTEL

On account of the apparent popularity of Hotel Nevada J. F. Miller has found it necessary to provide additional room in order to accommodate his constantly growing patronage, and will shortly commence the erection of a third story to his concrete building.

He will leave for California in a day or two, and upon his return will begin the improvement. He expects to have the addition completed by September 1.

The Nevada is the only concrete hotel in Southern Nevada and is proving a good investment for its enterprising proprietor.

#### Notice!

Notice is hereby given that no fireworks nor shooting is to be done in Las Vegas on the Fourth of July owing to the frame buildings and tents being so dry that a spark might cause a serious fire. By order of

JAKE JOHNSON, Sheriff.

A. L. MURPHY, Deputy.

The Lucky Dutchman has let a contract calling for 250 feet of sinking. This is the most important piece of work ever undertaken in the district, as it will prove the district up with depth. —Searchlight.

#### BULLFROG HOTEL BURNED

A crazy man burned the big hotel at Bullfrog last Saturday night. The loss was large, but no one was injured. The building was vacant and a move to Rhyolite was contemplated.

#### NEW MINING DISTRICT

The Gregg Mining District has been organized at Lyons, five miles north of Nipton, where the Gregg Investment Co., of Denver, is operating the property recently purchased from Bright and Siders.

## Cool Ocean Breezes Blow in California

The weather in Los Angeles and vicinity is simply delightful. As a summer resort this region cannot be excelled. So why stay in Nevada hotness and swelter away your lives when relief and comfort is so near. Make Los Angeles your headquarters and make frequent trips to the many delightful seaside resorts where summer life is a blissful dream.

Go fishing, bathing or boating; play golf or tennis; drive or ride in automobiles. There are many ways to spend the time pleasantly and several good theaters in the city are open for your entertainment. There are daily concerts by celebrated bands at Long Beach and Venice, only a few miles away, where the breeze is always cool. Long Beach, Venice, Santa Monica, Redondo, Ocean Park and Catalina Island as well as Los Angeles have excellent hotels and rates are reasonable.

Then there is Coronado Beach, near San Diego, a most delightful place for summer outings.

For a change go to Arrowhead Hot Springs, high upon the mountain near San Bernardino. The manager of the new hotel and sanitarium here will welcome you and a delightful week or more may be spent there, resting and taking mineral water baths. Every good thing you want to eat may be had at this hotel, and the surroundings and climate are all that one could desire.

Round trip rates to Los Angeles are as follows: From Caliente, \$33.05; Moapa, \$27.55; Las Vegas, \$23.60; Jean (Good Springs), \$20.95; Nipton, \$20.00. These on sale every day and good 30 days for return. Rate to Long Beach through Los Angeles is 50 cents higher and tickets sold Mondays, Wednesdays and Fridays at above named stations. Return limit 60 days. Full particulars, illustrated folders of seashore and Southern California resorts may be obtained from agents at stations named or from Las Vegas and Tonopah agent at Johnnie, Nevada. If not available elsewhere write E. W. Gillett, G. P. A., Los Angeles about.

#### SALT LAKE EXCURSIONS

## VEGAS NUGGETS

Little News Notes of Everybody and Everything

LOST—Round gold signet pin, initials M. R. P. Finder please return to New York Store.

Stores will close July Fourth.

N. A. Kuhn is still detained at his Nipton store.

J. T. McWilliams left Friday on a business trip to Caliente.

Geo. A. Ward has returned to California for the summer.

Clouds and "gentle zephyrs" made the weather somewhat cooler this week.

Chris. N. Brown has been in Los Angeles on business connected with the smelter enterprise this week.

The Eagles are holding frequent special sessions, training the goat for a number of prospective candidates.

Laravey & Manuel expect to erect and equip a blacksmith shop nearer the center of town than their present location.

Attorney Dan V. Noland and Roy W. Martin have moved into their handsome new offices in the W. R. Thomas building.

Mr. and Mrs. A. H. Kramer are the proud parents of a baby boy. The little one arrived Thursday afternoon, and both mother and son are doing nicely.

Charles Wing has disposed of his restaurant business to Mrs. Albert Simmons and will devote his attention to the bakery business hereafter.

Travel through Las Vegas to and from the Bullfrog district has increased several hundred per cent since the railroad has been nearing the mining camps.

Mr. and Mrs. J. E. Thomas left Tuesday evening for their former home in Berlin, Wisconsin. Mr. Thomas has business and mining interests here and expects to return in the fall.

Mr. J. W. Todd and wife and Mr. T. D. Armstrong are camping out in the Charleston mountains. Messrs. Todd and Armstrong are investigating some mining prospects in that locality.

E. F. Ganahl, treasurer of the C. Ganahl Lumber Co., made a business visit to Local Manager A. W. Jurden this week, returning to Los Angeles Thursday.

Quite a number of tent houses on wheels were noticed on the streets this week. The intended enforcement of the building clause relating to several blocks in town was the cause of the shifting of quarters.

Las Vegas should make an effort to secure the coming county political conventions. It is centrally located and politicians would be glad to visit us. The fire hall would probably be large enough to accommodate the convention.

Nathan Gregg passed through Las Vegas Thursday on his way to the new mine at Lyons. Mr. Gregg expressed himself as highly elated with the showing being made by the recently acquired property.

The continued cool weather has enabled prospectors and those engaged in development work to stay in the hills later in the season than usual. As soon as "good old summer time" settles down to its true business, however, the boys will begin to hunt the shade in droves.

Owing to the many malicious depositions committed by persons visiting the old ranch, Secretary Bracken of the Mercantile Co., has been forced to post notices excluding all comers from the grounds. Thefts and destruction of property made such action imperative.

S. E. Arey, chief clerk of the L. V. & T. railroad, has gone to Denver to participate in his wedding, which is scheduled for an early date. After the necessary formalities the young couple will start west, visiting Salt Lake and then continuing on to Los Angeles and Southern California points. They expect to arrive in Las Vegas about July 12th.

H. D. Noland arrived home last evening from Las Vegas, where he has been rusticated for the past three weeks. He was so ill when he started for Nevada that he could hardly bear to be driven in a rubber-tired buggy to the station—but now he says he is ready to enter the racing lists for the Fourth—Riverside, Cal. Enterprise. (Mr. and Mrs. Noland returned to California this week, after a month's visit with their son, Attorney Dan V. Noland, and family.)

Fire at Pioche on Wednesday of last week destroyed several buildings in the business center of town. The loss is estimated at about \$8,500.

#### DEAD ON THE DESERT

Last Sunday a traveler, apparently about 60 years of age, was found dead on the Beatty stage road, about six miles this side of the Point of Rocks. It is supposed that thirst was the cause. The man was not identified, and the sheriff and coroner from Rhyolite buried him where he died—on the desert.
