SOCIAL EVENTS

INVITATIONS were issued early last week for a party to be given Thursday evening, September 30th, by Mrs. Russell and Mrs. Blake, at the home of Mrs. Russell, in honor of Mr. Howard, who is a recent arrival in the city.

There were a large number of guests present and the evening pleasantly passed with games, dancing and music. A duet given by Mrs. Cram and Miss Hazel Russell was especially appreciated by all. An interesting feature of the evening was the Donkey Game in which a large number participated and first prize was awarded Mr. Mr. Moy Thomas, while Mr. Buol won the booty. During the evening delightful refreshments were served.

Among those present were: Mr. and Mrs. Botkin, Clayton, Russell, Buol, Arey, Blake, Kornbacher and Johnson, Mesdames Templeton, Newton, Hicks, Cram and Williams. The Misses Dixie Williams, Marie Thomas, Ruth Simmons, Lucille Simmons, Mary Bishop, Katie Martin, Hazel Russell and Gladys Nichols. Messrs. J. C. Thomas, Dr. Roy W. Martin, Dr. W. S. Park, Roy Thomas, B. S. Wright, Jack Tuck, J. E. Howard, John Van Marter, A. E. Nichols, Moyl Thomas and E. W. Griffith.

"MY COUSIN FROM INDIA"

A creditable and pleasing production of the above farce comedy was given in the Thomas building Monday evening by local talent. The room was filled to its capacity with an appreciative audience and all thoroughly enjoyed the performance.

With one or two exceptions none of the players had ever before appeared behind the footlights and are therefore entitled to special credit for the success of their efforts.

Mr. John S. and Dr. Wm. S. Park had had previous experience and were thoroughly at home in their roles. Among the first-timers perhaps we may be permitted to mention the exceptionally clever work of Mrs. C. P. Squires and Miss Marie Thomas. Mrs. Williams and Miss Margaret Brown also displayed considerable natural talent in their roles.

Following are the players: John S. Park, Roy W. Martin, William S. Park, James C. Thomas, Leon L. French, Ed Arey, Mrs. Williams, Mrs. Squires, Miss Florence Squires, Miss Dixie Williams, Miss Margaret Brown, Miss Marie Thomas.

The proceeds of the performance will be donated to Las Vegas Fire Department. The amount realized was \$50; expenses about \$30.

The event was a pleasant break in the monotony of desert pastimes, and expressions of appreciation are heard on all sides.

Dr. Wm. S. Park is entitled to credit for his management and successful training of the amateur company.

MAKING TANKS
W. D. Worrell, of Las Vegas, is doing a big business in the manufacturing of water tanks and air pipe for the various mining camps. He is fully equipped for the work and can turn out a job on short notice. The freight on large tanks from Los Angeles is considerable; this enables Mr. Worrell to compete successfully with city manufacturers. See his advertisement in this paper.

LAYING RAILS
Latest word from the front is that the L V & T will resume track laying Saturday morning and expects to reach Beatty in about ten days.
The track at that time was within fourteen miles of the mining town.
Register. "Do it now."

CHRONIC CANDIDATE
For secretary of state the Democrats nominated a chronic office seeker from Colorado who has only been in Nevada one year--Frank Mannix of Bullfrog.

TEMPERATURE
The thermometer has not reached the 100 mark this week. The average maximum has been about 95. The nights are pleasantly cool and the early mornings are quite chilly.

STOCKS IMPROVE
Published reports in the Beatty Bullfrog Miner show that Bullfrog mining stocks have nearly doubled in price during the past sixty days. The approach of the Clark railroad no doubt helps the boom along.

TEAMS IN DEMAND
A number of teams have left Las Vegas during the past few days for Greenwater district. It is reported that more are needed to haul freight from Amargosa to the copper camp.
Freight Foreman Andross states that the freight traffic to Amargosa and Bullfrog district is enormous.
