## HAY FEVER

"Having used Peruna for catarrh and her hay fever, I can recommend it to all who are suffering with the above diseases. I am happy to be oble to say it has helped

me wonderfully."

414 E. Mound Street, Columbus, Ohio. IIAY FEVER is endemic catarrh. It is caused by some irritating sub-stance in the atmosphere during [ the late summer months. It is generally thought that the pollen of certain weeds and flowers is the cause of

Change of locality seems to be the only rational cure. The use of Peruna, however, stimulates the nervous system to resist the effect of the poisonous emanations and sometimes carries the victim through the hay fever sea-son without an attack of the disease. A large number of people re'y upon Peruna for this purpose. These who do not find it convenient to change their location to avoid Hay Fever, would do well to give Peruna a trial. It has proven of priceless value to many

Dr. Gustave A. Eisengraeber, of St. Paul, Minn., says: "I have need your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Buchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have

obtained excellent results from its use." Dr. J. E. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind

Dr. R. E. Eskildson, of Omaha, Neb., says: "I find your Castoria to be a standard family remedy. It is the best thing for infants and children I

have ever known and I recommend it." Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. Is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation?

What can a physician add? Leave it to the mothers." Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has

invariably produced beneficial results." Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."

down to wait for business in both his by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed con-
