Good Game

Abe Brown of Tonopah lost \$300,000 in cash and securities in one game of faro in the Tonopah club last week.

The game started Thursday and continued until Friday at which time Brown was out several thousand dollars in gold coin, and 10,000 shares of Mohawk stock valued at this time at \$17 a share and other properties. At times Brown placed from \$1000 to \$2000 on the single turn of a card. For awhile he was ahead-perhaps \$40,000.

filed and approved.

It was ordered that it be noted in the minutes of the board that Eugeneticodrich has been required to furnish a bond in the sum of \$5000 as deputy treasurer to the principal, E. W. Clark, and that said bond had been furnished and approved by said principal.

E. R. Phillips appeared before the board and asked for a further appropriation to complete the repairing of the lane leading from Panaca to Bullion ville. Ordered that the further sum of \$150 be allowed for said purpose.

Bond of J. C. Armstrong as constable of Goodsprings township was resubmitted in corrected form and duly approved.

Application of Ralph Baily for an engineer's license was presented to the board and laid over for further information concerning reference, capability, etc. Ordered that in future all such applicants shall accompany their application with such references.

Ordered that the sheriff be empowdeck cots for use in the county jail.

In accordance with advertisements caused to be made by the board calling for bids for the job work and county printing, to be submitted at this date, that the contract for county job work be let to the Las Vegas Age, it being considered by the board to be the lowest and best bidder. After discussion, upon motion, the contract for county advertising was also awarded to the Las Vegas Age, Chairman James A. Nesbitt and W. E. Hawkins, member, voting in against the same, he deeming the bid submitted by the Caliente Lode-Express the lowest and best bid.

A petition was presented from E. H. Darling and W. F. Sheffel asking for a franchise to operate and maintain a telephone system in Lincoln county. No action was taken for the reason that the board decided it had no authority to act in the premises.

Board adjourned to meet the following day, March 5th.

March 5th, 1907.

Board met pursuant to adjournment at 10 o'clock a. m., the same members and officers being present that attended the preceding day. The board proceeded to fix the tax

COPPER CITY

Avawatz Mountains

If you have failed to make good in Tonopah, Goldfield and Bullfrog, try a brand new district.

CITY COPPER CITY

the new camp in the Avawatz mountains, is 20 miles from Silver Lake on the "Borax" Smith railroad.

is but ten days old and has a population of about 100 people. The new camp is situated in the heart of the

Watch Copper City Grow

The Crackerjack district has richer copper showings than Greenwater and we do not hesitate to tell you that Copper City will be on the map for years to come. It cannot help but grow when great ledges of copper ore are exposed on over twenty properties assaying copper values as high as 43 per cent. Few properties show less than 15 per cent. A good average for the district would be 12 per cent, a remarkable showing.

The district is so new that but little work has been accomplished at depth, 80 feet being

It won't cost you much to come in and see it. Never invest in property or real estate unless you are personally acquainted with the property and its management. If you visit us you

We need a good live restaurant and a good general store. You have 250 prospectors to do

Copper City is reached by the Tonapah & Tidewater Railroad, commonly called "Borax" Smith road, get off at Silver Lake and take the automobile which meets all trains.
