Judge Walsh Here

Hon. J. Emmet Walsh, judge of the district court at Goldfield, is in Las Vegas today holding court for Judge Horsey. Two writs of habeas corpus will be brought before the court for consideration, one in the case of Charles McHugh, of this city, and the other in the case of Thomas Murphy, sentenced from Goodsprings. Richard Busted appears for both petitioners.

M. E. Services

Do not fail to attend the services at the Methodist church Sunday, July 9th. Subject of the morning discourse: Prayer. Subject in the evening: Is Socialism Opposed to Christianity? Be on time for the evening service, especially as everybody will want to hear the sermon on Socialism. Wherever it has been delivered it has been highly spoken of by all who heard it.

Great Scheme

The state is being flooded, according to a report from all sections, with copies of the campaign speech delivered recently at Elko by Chas. A. Towne, who was a Republican, then a United States senator, and now a Democrat without an office.

Copies of the speech have been mailed under a government frank, under government expense at the dictation of the Democratic administration, and the people of the entire country, regardless of politics, are paying for it. The speech contains not a word of anything but pure, unadulterated politics. It was not delivered in either house of congress, nor was it made by a member of either house.

"The Democratic party must be hard pressed for votes," said one prominent citizen today, "when it dips into the public treasury and takes the people's money to circulate purely political speeches."—Reno Evening Gazette.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

Looks Like a Real Building
when you see a shingle roof going on for that's the one roof that has stood the test of time. And what was true of the shingles made years ago is doubly true of the shingles we are selling today, for the manufacturers we buy of are using nothing but real live logs—and are making shingles a specialty instead of a side line as was the custom with sawmills in years gone by. Come in and look at them.
