RAILROAD COMMISSION SAYS ORDER COAL NOW

Owing to War Conditions All Dealers and Consumers Must Buy Fuel at Once

At a regular meeting of the Railroad Commission of Nevada held on September 10, 1917, the following resolution and ruling was unanimously adopted.

WHEREAS, the outlook with respect to the fuel situation in the State of Nevada for the coming winter is extremely serious owing to the unprecedented demands being made not only upon the fuel producers, but also upon the railcarriers for equipment, such demands having been caused principally by war conditions, and

WHEREAS, this Commission can see no logical reason why consignees receiving fuel should not accept the same for delivery in any class of equipment whether gondola cars, box or livestock cars, such consignees being extremely fortunate in having their orders filled for delivery in any class of equipment, it is therefore

RULED: That all consignees in the State of Nevada handling coal, coke or wood, be hereby notified that they are expected to accept the same for delivery in any class of equipment which the railcarriers may find available for transporting the same, and the action of railroads in furnishing such equipment will be approved by the Commission.

As Nevada has no fuel that is accessible during severe winter weather, it behooves all who can do so to forthwith place their orders for winter fuel. The Commission, for reasons given above, urgently requests that this action be taken promptly before winter sets in. In the event of delay to shipments ordered, notify the commission and it will lend assistance by taking up with railroads for prompt delivery.

This warning is intended for dealers quite as much as for consumers. All fuel dealers operating within the state are therefore urged to order ample quantities to meet the prospective demand, and to press their orders strongly. This is of the utmost importance, because most consumers, and domestic consumers in particular, are wholly dependent upon the dealers for their supply.

LOCAL HEADQUARTERS FOR THE RED CROSS

The local chapter of the Red Cross has arranged to establish working headquarters in the county commissioners' room at the court house beginning Monday. They will meet every day except Sunday between the hours of 2:30 and 5 p. m., for the purpose of work.

All those having any old material such as old table linen, sheets, bed spreads, Turkish towels, etc., are requested to donate them to the Red Cross, where they will be made into articles for the comfort of the soldiers. Materials donated should be left at the Red Cross headquarters.

ITEMS OF INTEREST FROM THE RAILROAD SHOPS

By B. H. Dalton.

Neil and Erwin Burns have returned from their 6 week's vacation spent at Belle Plaine, Iowa.

C. M. Chester has returned from Yermo, and is now day Roundhouse Foreman.

Engine 3608 left the shop this week after being overhauled.

Engine 3416 came into the shops for a short time this week, for some light repairs.

Mr. Julius Ahlstrom left Sunday for Reno, where he will represent the K. of P. Lodge at the Grand Lodge convention.

Earle Jones has started to work again after his long sick spell in Los Angeles.

Mr. Waldron returned Friday from Globe, Arizona, where he was called by the sickness of his mother. His mother was able to return to Vegas with him.

Mr. A. E. Denning left Thursday evening for Los Angeles where he is being treated by the company doctor.

L. V. Floyd left Sunday for a thirty day vacation to be spent in Texas.

Engine 3405 left the shops Thursday.

M. S. Smith has returned from Los Angeles and is working again. We hope he is all right this time.

The following case is but one of many occurring daily in Las Vegas. It is an easy matter to verify it. You cannot ask for better proof of merit.

Mrs. F. A. Wait, nurse, Main St., Las Vegas, says: "For a long time I suffered from kidney trouble. My back was weak and lame and stooping was almost impossible. My kidneys were weak and did not act often enough. Many times my hands and feet were swollen and when I pressed my finger in the flesh, the dent would remain for some time. Everything I had tried had failed to relieve me, and as I am a graduate nurse I know of any number of kidney medicines. I finally used Doan's Kidney Pills and they completely cured me of the suffering. Since that time an occasional short use of Doan's Kidney Pills has kept my kidneys in fine, healthy condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wait uses. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.

It'd Surprise You How Lumber Counts

in the time it takes to do a certain job. You see some woods have a tough fibre which not only makes them hard to work, but dull your tools quicker'n scat, while other woods work easy. Of course, this sounds somewhat like a lazy man's argument, but believe me the fellow who pays the bills knows it is right.

Our way of saving customers money is in the careful selection of lumber for different uses. Let us explain.
