### BETTER HOMES BEING ERECTED

O. A. Kimball, agent for the Mutual Building and Loan Association of Las Vegas states that there has been much interest in the adobe house which he is erecting at 10th and Ogden streets. A good deal of comment has been caused by the fact that the partitions, fireplace and a good deal of the interior carpenter work on this adobe house were done before the walls were erected.

Wiring has been done with the idea of electric heating, and the built-in garage is a feature in line with construction of many homes in southern California. The work has been done on the day labor basis, having been started about January 15. So far the place has lost the owner in the neighborhood of \$3200 including the plumbing and electrical fixtures. All interested are invited to visit this house during its erection. It is thought it will be completed about the first of June.

### AUTOMOBILES COLLIDE AT STEWART AND MAIN

Louis Roseberry of Las Vegas, and Ed Foster of St. George both driving cars crashed at the intersection of Stewart and Main streets about 9:00 o'clock Sunday night. The automobiles were damaged, Roseberry receiving the worst of the deal. Foster agreed to pay for the damages, admitting that he had violated a traffic ordinance.

### PIONEER RESIDENT DIES MONDAY MORNING

J. M. Keith, 82, died at his home from heart failure. Deceased was well known in this district for the past twenty years. He was a civil war veteran and left no relatives.
