Don't Let Graduation Gifts Worry You

This is the time of year when double-decked white envelopes are liable to pop in on you unexpectedly, and you groan dejectedly, "What, another gift!"

Oh well, don't be too utterly pessimistic. Perhaps you are taking the subject a bit too seriously and need a new slant on the situation. Things don't have to be expensive to be appropriate and in good taste. Our store is crammed with gifts for the woman whose good taste is guided by a sensible desire for economy. It really costs very little to remember your friends when you have learned to shop the Penney Way.
