**BUT DON'T BE FOOLISH**

The development of this district deserves  
 your careful study. The path of enhance-  
 ment is becoming more clearly defined.  
 The tendency for investment is asserting  
 itself strongly in a well defined direction.

**THERE IS A REASON FOR THIS**

That's what the Real Estate War here  
 means. Real Estate Wars precede a boom.  
 Real Estate Wars are caused by conflict-  
 ing opinions. These opinions are the fric-  
 tions between the Old and the New, the  
 Pessimist and the Optimist, the Old Con-  
 servative and the New Progressive.

This advertisement is one of a series, along con-  
 structive lines, for serious consideration by those  
 who would like to benefit by the development of  
 this District.

*Announcing -*

**The  
 Outstanding Chevrolet  
 of Chevrolet History**  
*- a Six in the price range of the four!*

The Chevrolet Motor Company announces The Outstanding  
 Chevrolet of Chevrolet History... a Six in the price range of  
 the four!

Spectacular as Chevrolet's achievements have been in the past  
 ... notable as its engineering triumphs have proved themselves  
 to be—this remarkable new car dwarfs every  
 previous Chevrolet accomplishment. Not  
 only does it introduce into the low-priced  
 field an entirely new measure of performance,  
 comfort, beauty and style—but it is sold at  
 prices so low as to alter every previous con-  
 ception of motor car value.

The new six-cylinder valve-in-head engine—  
 developed from more than a hundred motors  
 designed especially for this sensational car—  
 stands out as an engineering masterpiece.  
 With a power increase of approximately 32%  
 over the previous Chevrolet motor, with  
 sensationally greater speed and faster accel-  
 eration—it offers a type of performance that  
 is literally astounding. And it affords an  
 economy averaging better than 20 miles to  
 the gallon of gasoline!

In appearance, this Outstanding Chevrolet is  
 destined to become an automotive sensation  
 —so smart, so stylish and so distinctively ap-  
 pointed that it rivals the costliest custom  
 creations! The marvelous new Fisher bodies  
 are longer, lower and roomier with adjust-  
 able driver's seat in all closed models—and  
 reveal the matchless artistry of Fisher design-  
 ers. With their modish new colors, their smart

dual mouldings and their distinctive concave pillars, they  
 achieve a degree of original beauty that has seldom been  
 equaled in motor car design.

You are cordially invited to visit our showroom and secure  
 complete detailed information about this sensational new car  
 which will be ready for delivery beginning  
 January 1st.
