FEARS SON MAY HAVE MET DEATH

Mr. R. C. Hyde, of Kimberly, Idaho, is in Vegas seeking some news of his son and daughter-in-law, Mr. and Mrs. Glenn Hyde, who started on a trip down the Colorado River a couple of months ago. They were making the trip in a boat which they had built on the Green River in Idaho.

The father received messages and letters from points enroute, until the couple reached the Grand Canyon. Just a month ago today the last message was received from that point. This message stated that they would next send word from Needles, which they had expected to reach about a week ago.

Mr. Hyde has become extremely anxious over the safety of his son and daughter-in-law, and fears they may have been drowned.

Seeking the sheriff's office for advice he was directed to Merle Emery, at the Black Canyon. Emery stated that although he had been keeping a lookout for the travelers, they had not passed that point on the river.

Mr. Hyde is leaving for the south rim of the Grand Canyon and will there make inquiries, planning to get the assistance of the Indians in locating his son and wife, or in finding some trace of their boat.

BOULDER ADD'N TO GET WATER

The Las Vegas Land and Water Company has agreed to furnish water to the Boulder Addition, according to E. A. Ferron, manager of the Boulder Realty Company.

Mr. Ferron states that his company will begin laying water mains immediately. There has been a big demand for property in this addition, and it is expected that there will be a number of homes built as soon as the pipes are laid.

Boulder Addition lies to the south of the city, adjoining the South Addition. It is on the main highway, and near to the new Country Club, and the proposed site for the big tourist hotel.
