## ALL LAS VEGAS INVITED TO KIWANIS FEED

A program of interest to every citizen of Las Vegas has been arranged by the Kiwanis Club for Monday night. In addition to a home-cooked dinner which will be prepared under the auspices of the ladies of the Methodist Church, a gathering of speakers of national importance will address the club members and guests on problems of vital import to Las Vegas. Those desiring to attend the dinner are requested to telephone or otherwise get in touch with Ira Earl before Monday morning so that the ladies of the church will be prepared to provide enough food for the large crowd that is expected. There will be a charge of one dollar per plate for the dinner and the ladies in charge of the repast aver that the charge is half what the dinner is worth.
