**IN THE NATION'S EYE**

LAS VEGAS, already in the center of the field of vision of the entire nation, will have still greater attention paid to it when the work of actual construction of the Boulder Dam is under way.

We are already anticipating the presence here of President Herbert Hoover, whose great interest in the great project has been most helpful, when the ceremony of beginning work is held, Hoover's hand should press the button to explode the first blast on the great work and the Age believes that he will make it a point to be here on the ground when the happy moment arrives.

The world is making a pathway to our door and that pathway will become broader and broader as the months pass.

**PAVING PROGRAM**

SOME OF THE NEWCOMERS to Las Vegas express much annoyance at the dust which the automobile traffic is kicking up. They are not alone in their disapproval, most of the residents of Las Vegas agreeing with them.

The matter of street improvement has been the subject of much discussion, as the result of which a project for paving with oil-bound gravel a considerable portion of our streets is ready for the contractor.

Bids on the project will be opened by the City Board Thursday, January 24, and it is hoped that the work will be under way soon after that date.

Leaving the Boulder Dam matter entirely out of consideration, our own health and comfort require that the streets be improved at the earliest possible moment.

**OVERTON NOTES**

By J. DONAL EARLE

The M. V. Pirates dropped a hard fought game to the invading Virgin Bulldogs last Friday evening to the tune of 14-11. M. V. took the lead early in the contest but Virgin soon overcame it and finished ahead at the half. They maintained a small lead throughout the rest of the game. Fouling was very common in the game; thirteen called on Virgin and 11 on the locals. The game was practically won on fouls as the visitors converted more of their free throws. This week-end the locals will invade Tonopah and Goldfield in an attempt to cover up the first defeat of the season.

In the preliminary event the M. V. Juniors easily outclassed the Virgin Bull Pups. The visiting guards were no match for the classy passing of the little local team. At no time in the game was the outcome questioned.

All of the Moapa Valley Boy Scouts spent Saturday and Sunday in the Virgin Valley attending their Court of Honor. Western Regional Director Oscar A. Kirkham and Executive Arthur Morris of the Zion National Park Council were in attendance. The Court of Honor was held Saturday afternoon and all Bunkerville turned out to enjoy it. Badges were awarded by Mr. Kirkham and Mr. Morris. Stories of the three life saving events by Bruce Lyman, Denzel Walte, Asel Leavitt, and Willie Eaton were told by their Scoutmasters. In the evening a big Campfire Council was held with Mr. Morris in charge of the boys. The program consisted of stunts by each of the troops, story telling and singing. Eagle Scout J. Graydon Robinson of Kanab made a fire by flint and steel.

After the Council the Scouts watched Virgin High take Needles into camp quite easily. Both first and second teams were used by the Bulldogs in defeating the visiting team. Church services Sunday afternoon were devoted entirely to Scouting and excellent talks were given by Arthur Morris, J. Graydon Robinson and J. Nile Washburn and Bishop J. Benjamin Robinson.

About fifteen prominent citizens of the Valley attended the Leadership at the Dixie College last week. They report having had a wonderful time where there. Most of them came to Bunkerville for the Scout exercises after the Leadership Week was over.
