

The Clark County Gas Company offers 500 Shares of their Common Stock Nonassessable at \$10.00 per Share

This money will be issued for the expansion of our growing business. We are offering this stock to our gas consumers and general public. The gas company is now on a paying basis and will keep on growing year by year making this stock a safe and profitable investment.

The shares we are now offering will be the last ever offered to the public. The company reserves the right to reject any and all subscriptions.

We hope that every one in Las Vegas can see their way clear to install gas in their homes.

We are selling the best fuel made at the lowest price. Our gas stoves are the very best and sold on easy terms. Below is the list of names of our gas consumers. Ask them how they like it.
