

PAPAGO, PINMA CENSUS WILL BE STARTED

WASHINGTON, Jan. 26, (AP)—Rachel Jense, representing the Office of Indian Affairs, left for Arizona today, where she will take the census of Papago and Pima Indians.

HENDERSON ONLY SENATE LAWYER

Senator Henderson of Clark county together with his wife and daughter have moved to this city for the winter session of the legislature, says the Carson City Appeal.

Naturally, the Senator is enthused over the life and business that is moving in on Las Vegas. He predicts a great city in the near future. Eats are plentiful but beds are shy, is his opinion. Parties who are looking for a stay in Vegas are advised to take their bed, it's the one safe way for comfort.

Miss Alice Henderson has been appointed to the position of assistant journal clerk in the Senate. Senator Henderson has positions on a number of important committees, including Judiciary, Federal Relations, Engrossing Bill, Rules and Joint Rules, all of which he is chairman.

TOM FANATIA IS ON THE JOB

T. D. Fanatia is one of the state's most conscientious legislators and he weighs carefully the bills that are presented and come up for final passage. He is the lone Democrat from the Las Vegas country for this session, his colleague in the lower house being Albert Duffill, a Republican, and the county's senator, "Bert" Henderson, being also a member of the Republican party.

Mr. Fanatia says that Clark county will have a few matters on which they wish to have the legislature act, but he has nothing of importance in mind that will come up at this session.—Carson City News.

A Cooking Suggestion When boiling rice for a meal cook a double amount and there will be some left over to quickly make into rice cakes, escalloped rice and cheese or tomato rice puddings or soups. Preserve the rice stock and use it for part of the milk called for in rice recipes.
