## OASIS TEAM PUTS ON DEGREE WORK

The drill team of the Oasis Rebekah Lodge went to Caliente Saturday to perform the degree work with the Wiley Rebekah Lodge of that place.

Upon their arrival they were cordially met by the reception committee, and in the evening were honored guests at a sumptuous banquet.

The initiation exercises carried out by the Las Vegas team did credit to the splendid leadership of Mr. William Mott, local degree captain.

Mrs. L. S. Dalton, of Turner, Montana, is in Las Vegas for a few days. Mr. Dalton is one of the Age subscribers who has been attracted to this section through the columns of this publication.

Judge H. E. Edwards, of Ely, Montana, is in Las Vegas to assist Judge Orr Monday. In all probability the recall case demurrer will be heard by Judge Edwards, as the presence of a jury will keep Judge Orr busy with the several criminal cases on the calendar.

They used to preserve things in alcohol but most of the alcohol you get nowadays will leat up anything that's put into it.

William S. Seamans, proprietor of the Montecito Inn at Santa Barbara, accompanied by William A. Salter and William Gring, also of Santa Barbara are in the city looking after property interests.

Mrs. George Taylor of Los Angeles is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Delano F. Wengert. Mr. and Mrs. Wengert expect to move into their new home which has just been completed on South Sixth street.

Chas. Meilin of Los Angeles has established a stand at the corner of First and Fremont where you rived in Las Vegas Sunday evening may get your home town papers.

A SIX IN THE PRICE RANGE OF THE FOUR

# Smoothness

Never Before Achieved in a Low-Priced Automobile

Of all the exceptional performance qualities resulting from the advanced design of the new Chevrolet Six, none is more impressive than its remarkably smooth operation.

Although the new six-cylinder motor develops 32% more power with correspondingly higher speed and faster acceleration . . . although it delivers better than twenty miles to the gallon of gasoline—

—its outstanding feature of performance is a degree of smoothness never before achieved in any low-priced automobile.

To achieve such remarkable performance in a car of such low price, Chevrolet spent years in development work. Over 100 different engines were designed, built and subjected to over a million miles of testing at the General Motors Proving Ground before the

present motor was adopted. The new power plant has many unusual features, such as the new acceleration pump, the new gasoline pump and filter, and the new automatic lubrication of the rocker arms.

The four-wheel brakes, have been newly designed to assure positive, quiet action. Steering has been made easier. And the new Fisher bodies with their new lines, new colors, adjustable driver's seats and new appointments represent new heights of style, distinction, comfort and value.

We extend you a cordial invitation to see and drive the new Chevrolet Six. We believe it an experience that every motorist should have—and we want you to know how finely the new Chevrolet Six is built and how smoothly it performs!
