NEW EXPRESS AGENCY ASKS FOR FRANCHISE

CARSON CITY, Nev., Feb. 7, (Special)—The Public Service Commission is in receipt of an application by the Railway Express Agency, Incorporated, for a certificate of public convenience, whereby it will take over and operate the property now held and operated by the American Railway Express Company.

Applicant proposes to furnish the same service as that now being rendered by the American Railway Express Company, without any change in rates or rules or regulations. It might be stated, in this connection, that the Railway Express Agency, Incorporated, is an organization of the railroads over which express service is now furnished, whereby the railroads themselves will furnish the service for the future, instead of an independent express company.

Unless protest against the granting of this application is received prior to February 15, 1929, the commission will proceed to grant the application.

VERA CRUZ, Mexico, Feb. 7, (P)—Students of the Preparatory School here protested against compulsory military training. They induced the state secretary of education to abolish it.

McGinnis, passenger traffic manager of the Southern Pacific Company, from H. B. Titcomb, president of the Southern Pacific of Mexico.
