LARGEST TOOTH

CAMBRIDGE, Mass., Feb. 19, (Autocaster)—The largest tooth in the world, measuring 11 feet, 2 inches in length, and weighing more than 300 pounds, is now on display in the Harvard Dental school museum. This tooth, found in Alaska, is more than 50,000 years old, and was formerly a part of the anatomy of a mastadon.

S O S ONLY SIGNAL

WASHINGTON, Feb. 19, (Autocaster)—It has been explained that "S O S" has no meaning in itself, but the letters were adopted in 1912 because the combination of dots and dashes was so simple that even the most inexperienced radio operator would have little difficulty in detecting it. Previously the distress call had been "C D Q," Naval Communications have been deluged by letters asking the meaning of "S O S."

The meanest man in the world is the warden who put a tack in the electric chair.

'SONNY JANE' IS PUT OFF AGAIN

The benefit performance of "Sonny Jane," which was to be presented for the benefit of Howard McMullen by the Senior Class of the local High School, will have to be postponed indefinitely, due to the inability of the class to take more time for rehearsals and to the continued illness of members of the cast.

Money will be refunded for this benefit performance on presentation of the tickets at the High School or Beckley's store.

On Wednesday, the 20th day of February, all money that is not called for will be turned over to Howard McMullen (for whom the benefit performance was to have been given).

The Senior Class is indeed sorry

that this move had to be taken, but under the circumstances they feel it impossible to present the play.

BOWLEGGED FAMILY
MORRISTOWN, N. J., Feb. 19, (Autocaster)—All seven of the children of Jerry Miller, railroad brakeman, were born with bowlegs or acquired them soon after. May, now 14, has outgrown the peculiarity, in view of which County Judge Holland agrees with Miller that he should not be obliged to have an operation to straighten the legs of Helen, 7, and Thelma, 3, as asked by the Hospital Social Bureau.

THEFT OF BEANS BRINGS LIFE TERM

CARO, Mich., Feb. 19, (Autocaster)—Frank Bower, of King's Mills, was sentenced to life under Michigan's habitual criminal law for the theft of thirty bags of beans. This was his fourth felony.

During the cold weather a great deal of sickness is common among children. It is almost impossible to keep them in; but it is possible to see that their feet will be kept good and warm. Do not neglect this, but send them over to our well equipped shoe shop for repairs. Our prices are reasonable.

Every delay, which means a day, in placing your order for the winter's supply of coal can mean a loss to you, because local dealers cannot control prices and a cost-at-mine advance means you must pay accordingly. Then too, delivery now means a good-first-grade coal at minimum cost, whereas rush delivery when winter storms and cold blow, may mean that you'll be glad to have inferior mining at any price.
