THANK YOU
LAS VEGANS

I wish to take this means to thank the people of Las Vegas who have invested in property in our "HOMESITE" ADDITION.

Today the streets are being graveled and it will not be long before you will be able to commence the construction of the homes that you have planned.

In the near future "HOMESITE" ADDITION will be worthy of its name—a community of beautiful homes.

Sincerely,

JOHN P. MILLS.

Frontier Fadesouts Make
The Big Show

The Boulder Dam Rodeo Epic Revival of the Old West

takes its theme from the days that are gone. Thus the fadesouts of real life will make the big show "a whoopee" and once each year take the stage to thrill Las Vegas visitors.

New ways and methods are dimming the colors of the roundup and branding iron, the stage coach and the prairie schooner, the pony express and the Indian war dance.

As an institution providing one service of the new day we are equally proud of the part we may have in retouching the picture of the past.

Own Your Own
HOME

WHEN you build a home save money by putting into it only the highest grade of building materials. Depreciation costs can be cut to practically nothing if you use fine, seasoned lumber and protect it with full-bodied paint.

DON'T waste your money on splintery lumber and watery paint.
