WHEN you build a home save money by putting into it only the highest grade of building materials. Depreciation costs can be cut to practically nothing if you use fine, seasoned lumber and protect it with full-bodied paint.

DON'T waste your money on splintery lumber and watery paint.

Your Idea Is to Get Sound Value for Your Money

To Satisfy Your Idea of Good Value Is **Our Idea**

Our Silk Hose Reaches Two-Thirds of the Way to the Pole

Last year we sold over 7,000,000 pairs of Women's Full Fashioned Silk Hose, which would measure more than 32,000,000 feet. The distance that Commander Byrd traveled before he reached the Pole was—roughly—over 47,000,000 feet—so our Silk Hose is about two-thirds of the way there.

We didn't count Men's Hose either, or Children's, or perhaps we would have been over half the way back by now!
