WHO'S WHO IN LAS VEGAS (Continued from Page 1) interested in the Boulder Dam project and has represented Nevada as a Colorado River Commissioner, being now the only member of the commission from the southern portion of the state. He was a member of the Santa Fe conference in 1922, which adopted the Colorado River Compact. He became associated with the First State Bank in 1910 and has ever since been active in its affairs, now being President of this important institution. The only kind of figures a few people in Europe who owe us money seem to use in their conversation are figures of speech. A salvo of 21 guns was fired when King Victor Emmanuel left his palace in Rome the other day for the opening of Parliament. None of the shots was a hit, however.
