

From Hamper to Line at Aeroplane Speed!

SIXTY pounds of dry clothes—more than an average week's washing—washed, blued, "Spin-rinsed, Spin-dried" in 60 minutes! That's the Wringerless Savage Mile-a-minute washday schedule!

Never was washer like it! Not only speed—but thoroughness—safety—and comfort!

Your Hands are Never in Water!

From the time you load your Savage until you hang out the finished batch, you never put your hands in water, never feed a wringer or need laundry tubs. Savage does the complete job in its own tub and when through it empties itself!

"Spin-Rinse, Spin-Dry" is a Savange feature.

PURE
as the water you drink

IN our sanitary ice plant, ice is frozen by being subjected to temperatures far below zero. This cold is far below normal winter temperatures to keep the blocks from being mushy, and to give absolutely honest weight in solid ice.

In order to keep milk, fruit, vegetables and meat fresh and wholesome, an iceboxful of pure ice is an absolute essential. If Las Vegas Coal & Ice company delivers it you get the very best!

Indian Girls Are Curtis' Cousins

These pretty Pottawatomie Indian maidens are blood cousins of Vice President Charles Curtis of Kansas. They are Pauline, top, and Vivian Harrington of Arkansas City, Kas., where they are earning their way through school by waiting on table. The Pottawatomies and Kaws, to which tribe Curtis belongs, were neighbors for years in northern Kansas, are closely related by inter-marriage.
