ALBUQUERQUE, N. M., June (U.P.)—The atmosphere of the "Old West" was routed completely here today when Jack Dalten, famous reformed "bad man" of the nineties was married in an airplane "Cattle Annia" Burke, sweetheart 33 years ago. The ceremony was conducted

at noon by a justice of the peace while the plane, a cabin brougham of the latest type, soared 3,000 feet above Altu-

The marriage was the culmination of a romance that began years ago when "Cattle Annie" carried food to Dalton, then a notorious outlaw, while he "hid out" from possees seeking him.
