BOUNDING BASQUE BATTERED BALMY

Now here's a little scene of what took place at the Yankee Stadium in New York, when PaPulino Uzcudun, rugged Basque heavyweight, was beaten almost to a pulp by Max Schmeling—but by dogged courage maintained his reputation for never being knocked down. This photo, taken as the German and the Spaniard were ploughing into each other in the third round, was transmitted by telephoto to the San Francisco Bureau of NEA Service, and rushed to the Age, the first picture of this event to be published here.

**Star U. S. Track
Men Gather at
Denver For Meet**

DENVER, July 1.—(U.P.)—More than 100 of the nation's star athletes were here today for the national A. A. U. track and field championships.

Two hundred and fifty are expected to participate in the events in the Denver University stadium Wednesday, Thursday and Friday. Latest arrivals included teams of the San Francisco Olympic Club and the Los Angeles Athletic Club.

Ed Haman, Georgia Tech's great broad-jumper and Olympic star, was seriously injured from his operation, although he is a trifle underweight. He hopes to do 26 feet. His record is 25 feet, 11 1/2 inches.

Leo Leonard, Boston Athletic Club's superb miler, hopes to shatter the world's mark of 4:10.4, held by Nurmi.

**MIDDLE WEST SWEEP BY
ELECTRICAL STORMS**

CHICAGO, July 1.—(U.P.)—Great electrical storms, coming in the wake of 90 degree temperatures, swept the middle west Sunday.

Five persons were injured in Indianapolis as a severe windstorm swept over Indiana. Windows were broken, trees uprooted and telephone and telegraph wires leveled.

Crops suffered considerably, farm buildings were wrecked, crops laid low and lines of communication shattered when a heavy gale, accompanied by rain, ripped across

**Trans-Pacific
Air Service
Dollar's Plan**

SAN FRANCISCO, July 1.—(U.P.)—The Dollar Steamship Company is not negotiating with the Goodyear-Zeppelin Company toward the establishment of a trans-Pacific dirigible service between California and the far east, it was announced here today.

Captain Dollar admitted talking to Goodyear officials while on a recent visit in the East and admitted he was interested in such a trans-Pacific project. He has announced, however, that he is not "financially interested."

**AMERICAN HURT
IN FIGHTING BULL**

SEVILLE, Spain, July 1 (U.P.)—Sotelo Franklin, the only American who ever took up bull fighting as a life work, met with bad luck at the stadium here Sunday.

He was thrown by two bulls and requiring slight medical attention. "The first bull threw him in the air and the second one threw him twice, making it necessary for Franklin to go to the infirmary. He showed his courage, by returning to the ring in time to kill the second bull, thus vindicating himself."

Thousands of Chicago golfers were drenched by late afternoon rains. Traffic was delayed on highways. Hail fell in some sections.

VACATION TRIPS
Money-saving Fares!
TAKE this year's vacation trip in a big luxurious Pickwick coach. This Nation-wide transportation system reaches thousands of delightful vacation spots along the scenic highways of America.

REDWOOD HIGHWAY—North from San Francisco to Eureka and Grants Pass, through a hundred continuous miles of giant Redwoods. Finest fishing and hunting.

**Eagle Ball Nine
Defeated First
Time in Season**

Boys Into Camp With
Bernardino, Takes Local
BMoys into Camp with
Seven-Eight score.

The Eagles' baseball team, pride of Las Vegas, bowed in defeat for the first time this season Sunday afternoon, losing by but one point to the Gurr Smith team of San Bernardino.

The boys were at the weak end of the score along in the last inning, and there they made a last desperate attempt to come back and maintain unbesmirched their record for cleaning up everyone who played them this season—but in vain. The score was 8 to 7 in favor of the visitors at the end of the ninth.

A three-base hit by Butcher, a single by Smith and a base on balls by Vann set things in motion during that fateful last inning and the slender crowd of local fans sat up and held their breath while Hall sent Butcher home with a single-base hit.

But that was the last of the scoring, for Bohn was put out on first when he socked one to shortstop. Red Jackson pitched for the Eagles, while Hall was on the receiving end. The Gurr Smith team had Bailey and Mansfield.

**HOOVER NAMES EXPERT
ON ENFORCEMENT GROUP**

WASHINGTON, July 1 (U.P.)—President Hoover's law enforcement commission today announced the appointment of Alfred Dettman, of Cincinnati, as one of the technical advisers.

This is the first such appointment. The commission plans to retain ten or twelve experts to direct the collection of data on the various phases of crime and criminal justice into which its inquiry will be divided.

Dettman will conduct an investigation into the methods of prosecution and operation of prosecutor's offices. He has made similar studies in previous surveys of crime.

The commission is now in recess but will resume work late this month.

"NOW, WHO—"

Into what realm is one supposed to have plunged when one comes to one's office to find hanging upon the door thereof a beautiful and expertly tied bow of white ribbon?

That is the question Daisy K. Moran, secretary to C. D. Breeze, doubtless found herself asking herself Saturday when she returned to the office from the court house after having gotten a divorce and found herself reading a brief description found attached to such a bow, and signed "Friends."

**Ford Pathfinder Hop
to Be Made by Hawks**

NEW YORK, July 1.—(U.P.)—Captain Frank M. Hawks, who last week completed a record-breaking round trip flight to Los Angeles will make a 4,400 mile pathfinder sponsored by Edsel Ford. Flight for the National Air Tour

Hawks said the trip would start in three weeks and take him through the East, Midwest, South and part of Canada. The National Air Tour is scheduled to start Oct. 1.

**Greater mileage
lowers costs**

By adding to the life of the Heavy-Duty Tire the Kelly-Springfield Tire Company has enabled bus and truck owners to reduce their tire costs.

The Kelly Heavy-Duty is a massive, rugged tire that will stand up under hard usage day in and day out. It is made of the best materials used in generous quantities, it is correctly designed and perfectly balanced; it is amply protected at tread and side walls to stand the stress and strains of active service.

Made by conscientious craftsmen the Kelly Heavy-Duty is an unusually well built combination of scientific design and high quality materials that will do its work well at a minimum cost.
