By Williams New Professional Right to Censor
Pharmacy Will 'Alibi' Is Denied
Be Opened Soon

William May, Now of White Cross Drug, Will be Manager of Store Two Doors From Age Office.

The new Professional Pharmacy to be established about September 1 in the Professional building, as soon as its construction is completed, will be under the management of William May, now of the staff of the White Cross drug store and formerly of the Las Vegas pharmacy.

To occupy the middle space of the three on the first floor of the structure, the new drug store will be one of the best and most modernly equipped in the state, according to May.

The manager-to-be is a pharmacist of long experience, having been a registered pharmacist in Nevada for the past fifteen years. His experience has been both in the prescription field and in other phases of the business, so that he is recognized as being eminently qualified for his new duties.

Mr. May came to Las Vegas early this year from Tonopah, where he was employed by the Union Drug Store. He lives at 129 north Fourth street.

A specialist has been brought to Las Vegas to attend to the interior equipping and furnishing of the new pharmacy, all the fixtures to be made specially to order in Los Angeles.

The fixtures will all harmonize in color and motif with the exterior of the building, which is now beginning to show what its appearance will be when finished. The new building is next to the Age office, on Fremont street.

There will be not only prescription counter and merchandise counters and shelves, but a splendidly appointed fountain as well, it was announced yesterday.

In short, the new store, it is intended, will be everything that a new, up-to-date pharmacy should be. The stock has been ordered from Los Angeles and Salt Lake City wholesale houses already, and will be all new and first class, with great variety and completeness.

The city traded in its old Buick car for a new Buick Tuesday, and the police officers are now seen about the town in a new four door Buick sedan.

The new car cost \$916 cash and the old Buick, which was credited at \$600. The deal was made with James Cashman, local Buick dealer. Along with Chief of Police Nash's Humobile and Officer Northern's Town car, the city force is now well equipped as regards transportation.

Mountain Hike Plan Of Boy Scouts, Mozart

A trip up some of the peaks adjacent to Mt. Charleston is planned by seven of the boy scouts who are encamped at the park, and will take place this week if the weather permits.

Ernest Mozart planned to go with the boys on the trip, which will be over the ridge northward from Charleston park. The boys who plan to make the hike with Mr. Mozart are Albert Bailey, Lucian Van Gorden, Robert Willets, Roston Barnum, Neil Anderson, Rynter Schounten and George Stone.

K. O. Knudson, scout executive, returned to camp yesterday afternoon with Mrs. Knudson and their two children. The camp will be broken this week end.

Pastime Is Sued For Machine Payment

To recover the balance alleged to be due for purchase of an automatic electric victrola now in use at the Pastime Club, John C. Preston filed suit yesterday against Edythe Burgess and Daryl Burgess, of the club. The machine, which was sold for \$1,050, was paid on to the extent of \$245, according to the action, and payments lapsed December 7, 1928. The balance is sought, with attorney's fee.

C. D. Breeze is attorney for Preston.

Colvin Hearing Held Yesterday in Illinois

The hearing of W. H. Colvin, to determine whether or not he will be extradited to Nevada from Illinois on a forgery charge was to have been held yesterday in the Illinois state capital.

Colvin, who is wanted here for forgery of three checks on the Tower market, refused to submit to extradition. He will be brought to Las Vegas if his extradition papers are approved at this hearing.

Water Tank Being Installed at Airport

Installation of the new water storage tank at the new Las Vegas Nevada airport has been started at the landing field, and will be completed in a few days, it was announced yesterday by P. A. Simon, head of the airport corporation.

You can't blame Ambassador Dawes for not wanting to dress up in knee breeches. Suppose he should happen to run into some of the boys from back home.

CHICAGO, Aug. 7.—(AP)—Chicago police were denied the right to censor "Alibi" a talking picture which portrays the evils of abuse of police powers when Circuit Judge Fisher issued a temporary injunction preventing any interference with showing the film.

"Censorship should be used only in cases where the immorality and obscenity of a picture is clearly visible," Judge Fisher ruled. "Improper use of censorship is shown when police attack a picture only because it shows an abuse of their power for which they are generally criticised."
