**Three Hurt in Rail Car Crash Leaving Hospital**

**Laborer Discharged Yesterday; Two More Leave Today; Two in Bad Shape as Result of Collision in Storm.**

As the result of a crash Saturday afternoon between two gas-driver cars on the Union Pacific near Elgin, 105 miles northeast of Las Vegas, one man will remain in the hospital for five or six months, another for two or three months, it is estimated by Doctor Frasier, of the Union Pacific hospital.

Of the five men involved in the crash, one was discharged yesterday from the hospital, and two others are expected to leave today.

H. F. Peterson, signalman, is in serious condition, with cuts about the face and scalp, a fracture of the right hip, his right knee fractured to a pulp, his right arm broken, his left leg badly cut and his left hand cut, with the middle finger fractured, according to Doctor Frasier.

**Compound Fracture**  
 C. Bream had his left eye torn virtually out of his head, a compound fracture of the left leg, and lacerations of the face and head. His sight may be restored, but he must remain in the hospital for several months, it is believed.

Juan Alva, section laborer, suffered slight lacerations of the calf of the right leg. He left the hospital yesterday.

Orvel Neilsen, foreman, had an injured right hip. He will leave the hospital today, as will also Ralph B. Hall, section laborer, in all probability. Hall had cuts about the face and scalp, the left leg and the right shoulder.

**Running Without Lights**  
 The accident occurred when Neilsen, with Hall and Alva were going east toward Caliente patrolling the track, and Peterson and Bream, signal employees, from gang number one, were going the opposite direction, to their camp headquarters at Elgin in a smaller car, a "41" car. It was stormy and both cars were traveling without the customary inspector's lantern, which accounts for the occurrence of the accident.

One of the less injured of the men flagged No. 7, the first section at the point where the accident occurred, and they were picked up by the train crew, arriving in Las Vegas at 10:50.

They were rushed to the Union Pacific hospital, where they were given care and treatment by the company physicians.

**Archie Wasden Has Ankle Injured As Auto Strikes Him**

An ill-timed run across Fremont street Saturday afternoon cost Archie Wasden a severe laceration of his left ankle, necessitating the taking of four stitches in the skin.

For an automobile driven by Mrs. Charles Goumond, coming along Fremont at the time he chose for his dash across the street with his newspapers, and he is said to have fallen, so that one of the wheels of the car ran over his leg before Mrs. Goumond could stop the machine.

He was rushed to the Las Vegas hospital, where Dr. F. M. Ferguson attended his wound.

The accident occurred in front of the Union cafe.

Archie is able to get about, by the use of a crutch, and is not confined closely as the result of the accident.

**Indictments Result Of Vegas Beer Raids**

Between twenty-five and thirty indictments are reported to have been returned by the United States grand jury at Carson yesterday, all of them on prohibition, liquor to Indians, narcotics and Dyer act charges.

Practically all of the cases, it was said, were from the southern and eastern part of the state, no Reno cases being presented. Among the due bills, it was said, were several on Las Vegas beer raids.

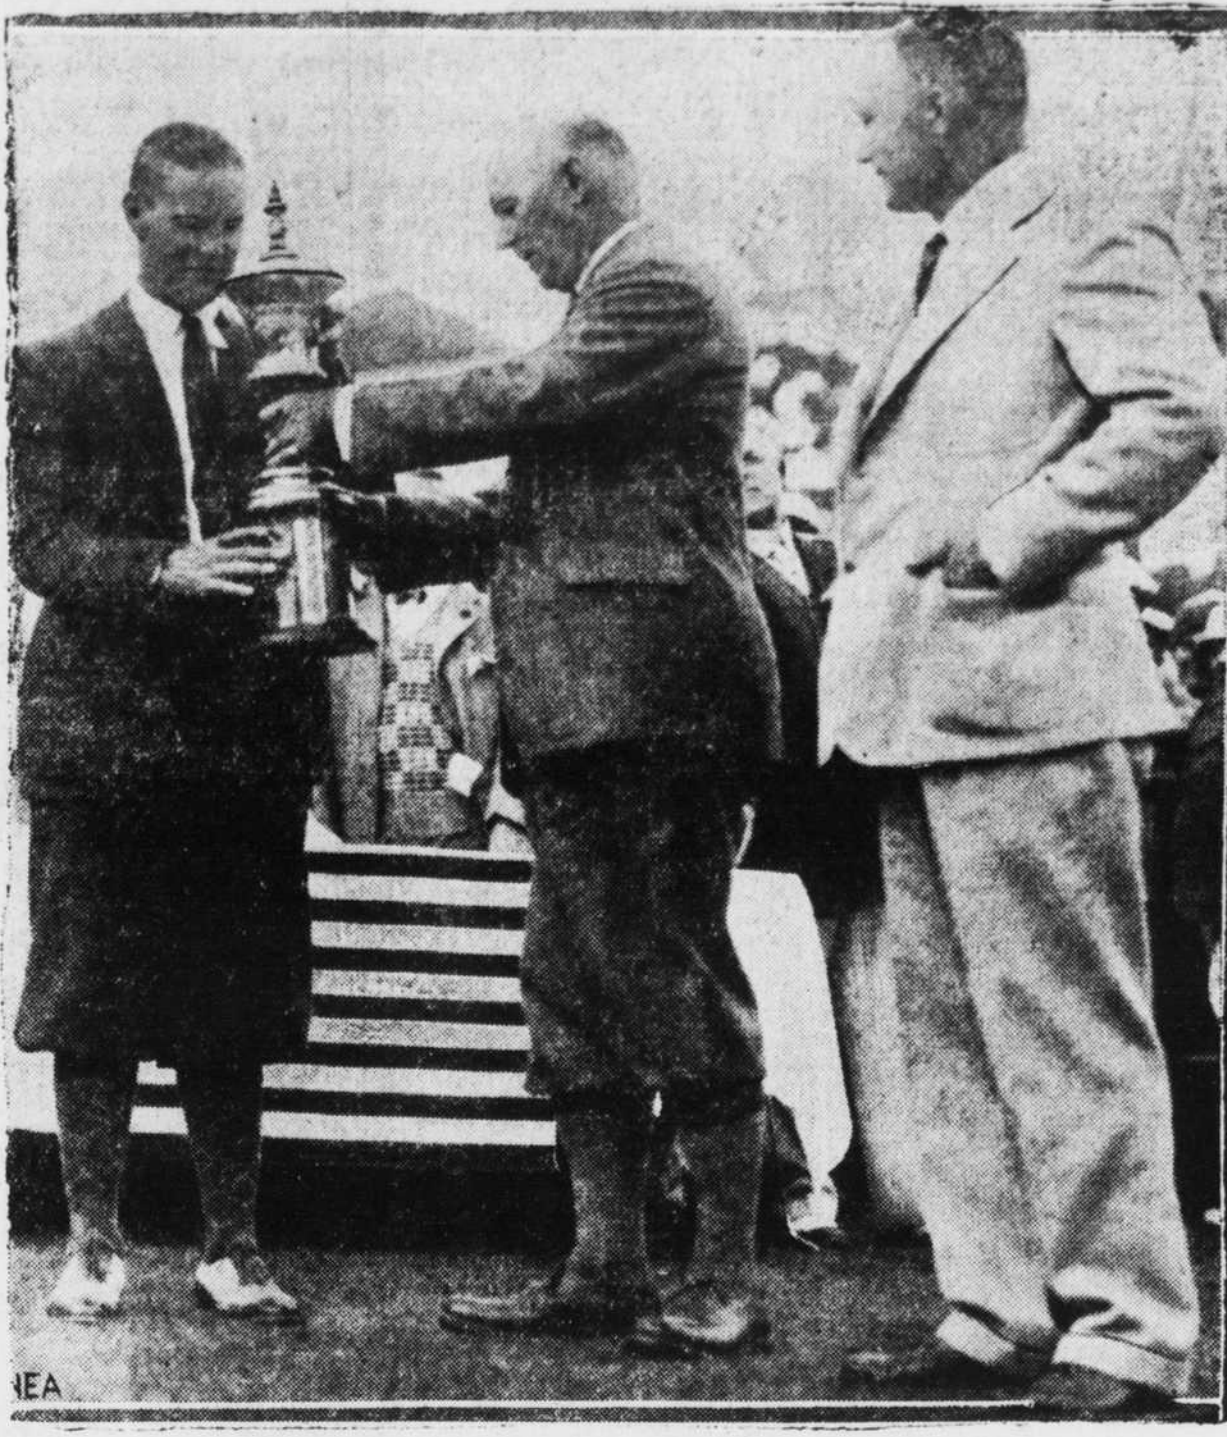

The indictments were placed on the secret file pending the arrest of those indicted, but it is understood that most of those against whom the true bills were found are either already in jail or have provided bail.

**NEW GOLF KING CROWNED AT PEBBLE BEACH**

A new king has arisen in the ranks of the country's amateur golfers, and he's Harrison R. (Jimmy) Johnston, of Dellwood, Minn., who midironed and drove through a field of 162 aspirants to win the national amateur title at Pebble Beach. Photo shows Johnston receiving the trophy cup from Finlay Douglas, president of the U. S. Golf Association, with Dr. O. F. Willing, runner-up, standing to the right.

**Coach Has 19 Lettermen For Indiana Eleven**

**BLOOMINGTON, Ind., Sept. 9.**—Nineteen lettermen, including eight two-year men, are expected to answer Coach Pat Page's initial call for football candidates at Indiana University.

Although Page has a letterman for each position, graduation witnessed the passing of nine men who played regularly the past two years. Among the nine who graduated were Chuck Bennett, all-Western halfback and named on several all-American selections; Clare Randolph, all-Western center; Paul Harrell, and Bob Matthew, rated as one of the outstanding guards in the conference.

It will be the replacing of these outstanding men that Page will face while building this year's eleven.

With a host of sophomore stars, together with the already proven men, Indiana is expected to rate well in this year's conference competition.

In Branch McCracken and Wilbert Catterton, Indiana will present probably the best pair of wingmen at the conference. Both are veterans and adept at the aerial game.

For tackles Page will have to choose between Unger, Shields, Jasper and Dudding. The former two were regulars last year although the latter pair were expected to provide plenty of competition for regular berths this season.

**Three Veterans at Guard**  
 Three guards, Bennett, Swihart and Holnacki are available. Each are large, fast men with experience.

The pivot position is expected to be filled by Ringwalt, a two-letter man, although Baxter and Mankowski displayed varsity talent last season.

The backfield will be a more complicated affair with seven veterans competing for berths.

Balay and Brubaker will battle it out for the quarterback post. Mangabosco and Hughes are the leading contenders for fullback with Todd, Ross and Faunce in line for halves.

Page has announced that a permanent captain will not lead the Hoosiers this season but that he will appoint a defense and offense leader just prior to the start of each contest.

Indiana will face one of the hardest schedules in its history, opening October 5 with Notre Dame, at Memorial Stadium.

**Home, Farm Bulletins Are Available Free**

Twenty thousand bulletins pertaining to agriculture and home economics in Nevada are now in the hands of extension agents at farm bureau offices in the various counties and are available without charge to Nevada citizens. Cecil W. Greel, director of the Nevada Agricultural Extension service, has announced.

The pamphlets, which are written and published by the U. S. Department of Agriculture, comprise the allotment of Senator Tasker L. Oddie, who has turned them over to the extension service for distribution to the people of the state.

Rather than mailing them indiscriminately to Nevadans, the senator is asking the extension service to help him to get them into the hands of those who will find them useful.

**Walker Gave Away \$1,500,000 Worth Of Punches—Police**

**HOLLYWOOD, Sept. 9.**—Details of a "night out" staged by Mickey Walker, the middleweight fight champion, gradually were being assembled today by Hollywood police.

At the most conservative estimates, based upon the price for ring appearances of his "toy bulldog," Mickey must have "given away" \$1,500,000 worth of punches sprinkled with liberal abandon from Laurel canyon in the foothills to an apartment on North Whitley avenue.

The trail of the fighter and three companions fairly was strewn with damaged noses, black eyes and broken furniture.

**Watch Us Next Year' Say Vegas Legionnaires**

**Farrar Lost State Leadership by Close Margin; Boys Determine to Bring 1931 Headquarters Here.**

Las Vegas held the spotlight at the State Legion convention late last week in Elko, although she did not lose the state commanderyship by a mere twelve votes.

The drum corps, surprise organization from the Gateway City, literally swept the town of Elko and the convention off their feet, holding the spotlight of the whole show.

"Watch our smoke next year," said the boys upon their return from one of the hottest battles they have had since they fought "over there."

Hawthorne will have next year's meeting, but the reason for that was the fact that the arsenal building will be at its height at that time, and that will be the logical time to convene there, whereas Las Vegas is expected to enjoy continued growth and interest.

"We'll get the 1931 convention, as well as the top positions in officialdom," some of the local legionnaires, undaunted by Carl D. Farrar's defeat this year, have remarked.

Verne Hursh of Reno was elected commander, 68 votes to 56, after it had been decided past commanders, present department officers and proxy votes would be ruled out of the election.

Ely supported Las Vegas from the word go, and Reno, for the first time in the history of the state legion, was seriously challenged as dictator in state legion circles. Carson City, Lovelock, Elko and Battle Mountain also supported the Las Vegas candidacy.

A party of twenty-five from Las Vegas attended the convention.

**Groff Arson Case Dismissed**

Claude K. Groff was dismissed yesterday after preliminary hearing on charge of arson.

Arrested on complaint of M. Whiting that Groff had burned his apt on East Fremont, Groff came before Judge Roger Foley yesterday for preliminary hearing, and, according to Prosecuting Attorney Harley A. Harmon, there was no evidence of malicious intent, and nothing upon which a charge of arson could rightly be based.

The tent cost but \$25, and to constitute arson a place of value of at least \$50 must have been burned, according to the prosecutor.

**LUNDHOLM RELEASED**  
 Gus Lundholm was released from custody yesterday on his own recognizance after having been jailed upon the complaint of a young woman who alleged he had threatened her.

**Golf Tourney To Be Planned Next Week**

Steps are being taken by the Las Vegas Golf Club to bring a full-time instructor to this city, and to get the golf season in full swing within the next ten or fifteen days with the opening tournament.

A meeting will be held at the U. P. dining room some time next week, according to Dr. Wm. S. Park, president of the club, for laying of definite plans along these lines.

A real tournament with plenty of keen competition is expected this year, and great interest is expected to accrue to the game. A man in Los Angeles is under consideration for the instructorship of the club, according to Doctor Park.
