**Bad Year for City Slickers, Says Rogers**

NEW YORK, Nov. 29.—Say, our champion New York university team looked like Man o' War till that bunch of Oregon apple knockers got a hold of 'em this afternoon. It was no place for a raccoon coat athlete, up against an old bunch of wheat shockers whose college emblem is a pair of Levi overalls.

These old salmon giggers from the mouth of the Columbia had the city slickers strewn from goal to goal.

With Yale, Harvard, Princeton, Columbia and Al Smith rosin down all in succession it just looks like it's the old country boys' year.

Yours, **WILL ROGERS.**

**Fights for Grid Titles Narrowed To Small Field**

**Southern California May Clinch Western Championship By Defeating California Next Saturday.**

By **GEORGE KIRSKY**  
United Press Staff Correspondent  
NEW YORK, Oct. 30. (UP) With the football season half over the struggle for sectional honors in all parts of the country is rapidly narrowing itself to a small field of contenders.

The October rankings of the Nation's leading teams by the United Press follow:

**East—**  
1—Dartmouth.  
2—Pittsburgh.  
3—Yale (Beaten by Georgia.)  
4—Cornell.

**Middle West—**  
1—Notre Dame.  
2—Minnesota.  
3—Purdue.  
4—Ohio State (Tied by Indiana).  
5—Illinois (Tied by Iowa).

**Big Six—**  
1—Nebraska and Missouri (tied each other).

**South—**  
1—Tennessee.  
2—Tulane.  
3—Kentucky.  
4—Louisiana State.

**Southwest—**  
1—Texas.  
2—Texas Christian.  
3—Southern Methodist (Tied twice).

**Far West—**  
1—Southern California.  
2—California (Tied by St. Marys).

On the Pacific Coast Southern California can clinch the far western championship by defeating the University of Southern California Saturday. If the trojans beat the Golden Bears and Notre Dame wins from Georgia Tech and Drake in its next two games, the Southern California-Notre Dame game at Chicago November 16 is quite likely to play an important role in determining the outstanding eleven for 1929.

Driving alone in her Chevrolet Six coupe, Mrs. Maud Moore made the 2000 mile jaunt from Kansas City to Los Angeles in less than 60 driving hours, despite bad weather encountered en route.

**First School Dance Success**

The first school dance of the season was ushered in by the Forensic Club Friday, October 18. It was called the Forum Dance (For 'em All).

The committee in charge prettily decorated the Gym in red and black the emblems of the Club. Miniature gavels were used as favors.

Musical numbers furnished by June Nay, Irene and Florence Taylor, Ann Graglia and Maydell Pistole, added greatly to make this first social event a huge success.

Jazz Morrison and his "Pep" orchestra needs no introduction, and contributed to make the evening a lively one.

**Funeral Rites Held For Billie Tupple**

Funeral services for little three year old Billie Tupple were held yesterday morning at the L. D. S. church, Bishop Bryan Bunker officiating.

The burial was at the Las Vegas cemetery, and Fred Alward consecrated the grave with prayer.

The little fellow died at 11 p.m. Saturday, and the body was taken to the Palm Funeral home.

**TWO ACTIONS FILED**

Hagda Seifang filed suit Tuesday for divorce from Arthur L. Seifang, to whom she was married in St. George, Utah, in 1926. There is one minor child, Lou, aged two, custody of whom Mrs. Seifang is asking.

The community property includes a \$1500 tract in Clark county. It is stated in the complaint, which was filed by Harmon and Salter. Cruelty and failure to provide are charged.

Annulment of provisions of a divorce decree granted with alimony in 1916 to Phyllis Jansen is sought in an action filed Tuesday for John Jansen. The present action cites failure to serve proper papers upon Jansen at that time as the basis for the annulment demand.

The divorce granted at that time awarded Mrs. Jansen a divorce decree, the minor children, and \$20 a month alimony.

It is said that the up-to-date burglar, when he enters a cigar store, always blindfolds himself so that he can pick out the proper cigarettes.

**Boulder Canyon Dam**

When operations are in full swing building this great dam, which is to cost \$165,000,000, someone is going to make a fortune furnishing Las Vegas and the new town to be built by the government at the dam site with milk.

Miller's improved ranch, consisting of 440 acres, all fenced hog tight, and situated about 8 miles south-erly between Las Vegas and the dam site, is ideal for dairy purposes, has nine artesian flowing wells, flowing into three large reservoirs, alfalfa, sweet clover, plenty of timber and shade.
