LETTERS TO THE EDITOR

Letters Must Be Signed, But Names Will Be Omitted On Request

Dear Editor of the Age: This poem was recently brought to my attention, and it might be of interest to readers of your worthy paper:

PASS THE APPLES

When every pool in Eden was a mirror
That unto Eve her dainty charms proclaimed,
She went undraped without a single fear or
Thought that she need be ashamed.

'Twas only when she had eaten of the apple
That she became inclined to be a prude,
And found that evermore she'd have to grapple
With the much debated problem of the nude.

Thereafter she devoted her attention

Her time and all her money to her clothes,
And that was the beginning of convention,
And modesty as well, I suppose.

Reactions come about in fashions recent
Now girls conceal so little from the men,
It would seem that in the name of all that's decent
Some one ought to pass the apples round again.
—GUY WITLESS.

Mr. Motorist!

Do You Ever Take Advice?

Get the best lubricating oil that money will buy because it will save you hundreds of dollars in repair bills.

We recommend

QUAKER STATE MOTOR OIL

—for fourteen years the highest-grade motor oil on the market—the Cream of the Crude.

Refined exclusively from Pennsylvania Crude—the highest-grade crude oil in the world. And the quality of the crude is all-important in lubricating efficiency.

Costs more, but believe us, it's worth it.

Quaker State is super-refined. It forms a perfect film which no heat or wear can dissipate and maintains an even viscosity through a wide range of temperature.
