L. A. Woltsherk, doing business under the firm name and style of Southern Nevada Lumber Co., plaintiff.

THIS WOMAN IN 4 WEEKS LOST 17 POUNDS OF FAT

Here's a letter written October 21, 1929 by Mrs. Fred Barringer of Lewiston, Montana, that ought to be read by every overweight woman in America.

"Gentlemen: I started taking Kruschen every morning as directed as I was very much overweight and wanted to reduce.

"I had tried going on a diet but would get so hungry that any diet would not last long, so I decided to give 'Kruschen Salts' a fair trial. The day I started to take them I weighed 256 lbs. and at present, which has been just four weeks, I weigh 239 lbs. And I must say I feel better in every way, besides looking much better.

"May all large people, both men and women, who want to reduce in an easy way, give Kruschen Salts a fair trial. I am sure I will convince anyone."

A bottle of Kruschen Salts that last four weeks costs but 85c at the Las Vegas Pharmacy or any drug store in America. Take one half teaspoon in a glass of hot water before breakfast every morning. To help reduce swiftly cut out pastry and fatty meats and eat light on potatoes, butter, cream and sugar.

The Kruschen way is the safe way to reduce—Try one bottle and if not joyfully satisfied—money back.

—Adv.

Maude Ewing DeBruyn, plaintiff, vs. John DeBruyn, defendant.

Harmon & Saler and George E. Marshall, attorneys for plaintiff. Decree of divorce granted.

FORD SMOOTHNESS

The new Ford has more than twenty ball and roller bearings

EVIDENCE of the high quality built into the new Ford is the extensive use of ball and roller bearings. There are more than twenty in all — an unusually large number. Each bearing is adequate in size and carefully selected for the work it has to do.

At some points in the Ford chassis you will find ball bearings. At others, roller bearings are used regardless of their higher cost. The deciding factor is the performance of the car.

The extensive use of ball and roller bearings in the new Ford insures smoother operation, saves gasoline, increases speed and power, gives quicker pick-up, decreases noise, and gives greater reliability and longer life to vital moving parts.

Other outstanding features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, three-quarter floating rear axle, Rustless Steel, the extensive use of fine steel forgings, and unusual accuracy in manufacturing.

THE NEW FORD TOWN SEDAN

LOW PRICES OF FORD CARS \$430 to \$630

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can buy a Ford for a small down payment on a convenient financing plan. See your Ford dealer for details.
