ON THE "

The Ryder Cup matches for international golf supremacy are two months away, but the Professional association of Southern California is doing is part to smoke up a bit of advance publicity, Stories reached the Pacific coast pros that they were not being done right by, so they went into action with airmail letters, tele rams and

At the rich opens in Southern California and Mexico early in the year some of the most influential of the professionals told their Scuthern California bretheren that members of the Ryder Cup cam, which Walter Hagen wants to call the All-American, had been named and that four more would be selected in a qualifying scramble at the Scioto club, Columbus

As Olin Dutra, Southern California P. G. A. champion, was included in the list of possible qualifiers this was all right with the Californians, and there he matter rested. RUMORS CROP UP

A few months later there were that the qualifying round was out and four more pros would be named arbitrarily for the team. tion with communications addressed to A. R. Gates, the Judge Landis of the pres: Charley Hall, president of the national association; George Sargent, chairman of selection committee; Hag pe cattain of the team, and

The messages protested against any arrangement under which the giant Dutra was to be deprived of a chance to match strokes with a dozen other amibtious pros for the honor of the old Scotch game and the United States.

were told that Walter Hagen, Gene Sarazen, Johnny Farrell, Leo Disgel. Herton Smith and Al Espinosa had been named and that the other baby state's university who, as in-four would be selected from a squad tercollegiate champions of the Pa-Billy Burke, Denny Shute. BOONE TO FRUIT INDUSTRY

This automatic prune grader, invenied by Geo. se D. Weaver, Oregon crehardist is haled as the most cutstanding improvement in the in-dustry since dehydration. The grader automatically sorts the fresh fruit just before it is conveyed into the drying apparatus, and the different sizes are placed on separate trays. The machine also has a device which culls all unfit fruit from going onto the drying trays.
