

ON THIS OUR FIRST ANNIVERSARY

Saturday and Sunday May, 16 and 17

We wish to THANK our Friends and Patrons for their Loyal Support

It is with the deepest appreciation that we express our thanks for the generous patronage we have enjoyed during our first year in business. On the opening of the BUSY BEE LUNCH, one year ago, we pledged ourselves to give the public the Best of Foods, Appetizingly Prepared, at a price which would prove a distinct ECONOMY.—That we have fulfilled our pledge is forcefully evidenced by our steadily increasing patronage.

By the Owners: John Stathis, Albert Griss and Myros Galeastes

THIS IS THE WAY WE STARTED—

Above is shown our lunch counter and staff only one year ago. From this start we have managed, through the kindness of our patrons, to build up our business until we have what we believe to be the finest little restaurant in Las Vegas today.

—AND HERE'S OUR PLACE TODAY

Here's a glimpse of our new lunch counter, a year after we opened. Increased business, due to our constant efforts to serve only the best food with the best service, recently made it necessary to enlarge and remodel our place. Perhaps a visit will convince you that our meals equal those you get at home.
