Counsel Says Attempt Made to Keep Young Attorney in Jail

Would Be Detriment To His Judgeship Campaign in L. A.

LOS ANGELES, May 27. (A)-Counsel for David H. Clark, charged with two murders, said he will demand an immediate hearing tomerrow to protect Clark's candidacy for municipal judgeship. ACCUSED OF DEATHS

Clark is accused of killing Crawford, political boss, and Herbert Spencer, magazine

Clark's candidacy is believed by authorities to have been involved in the background of the killings. His fight is known to have been opposed by Crawford and Spencer and supported by Guy McAfee, regambling dictator of Los Angeles.

Clark's name is still on the ballot and will remain there. Special Prosecutor Ford said he would seek postponement of the hearing tomorrow for two weeks. as he has "not found what I am looking for," to complete the state's

TO OPPOSE ACTION said any such continuance will be opposed because of the delay injuring a number of others. Twelve steel coaches comp

Oxygen Enough for Ten Hours in Ball

INNSBRUCK, Austria, May 27. reported the experimental balloon of Professor Pitcard drifting in a changing wind over the northern part of Italy tonight. Airdrome officials said a search-light had been used in an attempt to signal the ballon and it was believed the ground parties saw a signal light in response.

The fact that the balloon was being tossed about in every direction and sinking slowly, was said to indicate it was out of control or that the occupants were dead.

AUGSBERG, Austria, May 27. (A —The balloon of Professor Piccard and the scientist, Charles Kipfer which went aloft late last night to The group is charged with having ascend to fifty thousand feet above sold through seven midwestern the earth where the men could pursue cosmic ray studies, tonight was drifting over the Alps region.
It was believed the two men were dead as they were enclosed in an
