Las Vegas Man Is Stabbed Following Quarrel; Alleged Assailant Jailed

BEATEN AND SLASHED HERE

Jack Riley Held After Cutting Affray Late Last Evening

Wounded Man Says Knife as Weapon

R. F. Williams, 40, a Las Vegas laborer, was at his cabin home today recovering from a severe and painful stab wounds and Jack Riley, 32, was being held in the FACE SLASHED

Officers investigating the cutting scrape found Williams bleeding badly from severe gashes about his face, and rushed him to the Las Vegas hospital where stitches were necessary to close wounding twenty-nine others. the wounds.

According to the story Williams told police, he was sitting on his ing the ship into such wild disorder was killed. bed, just ready to retire. Suddenly for half an hour, that it hove to a man he claims was Riley yanked open the front door of the cabin and strode into the room.

Riley is said to have accused ing argument soon turned into a knife right and left. fist fight in which Williams was badly pummeled, he declared. GRABS KNIFE

As the men weaved to and fro madman with a hammer but Bilaz That was just an incident that is twenty and dashed about the small room, beat him to the punch and stabbed likely to occur in any well regulated Springs. Riley is alleged to have grabbed up paring knife from the table and stabbed Williams three times, once across the nose, the cheek and on the jaw. Neighbors near the Williams cabin, which is located near Carson between First and Second streets, summoned the police.

Riley was taken into custody and Williams taken to the hospital, Physicians said that luckily his wounds were not quite deep enough

GIRL ON STAND BEINGSHUNNED NAME CHANGE IN PANTAGES HEARING

Nitto, state's star witness in the girl market case, was led by a gentle cross-examination to make the admi sion that last year she had signed an affidavit to the effect that she was born in New York, June 4,

Alexander Pantages, multi-millionaire showman; Jesse Shreve, local business leader, and Olive Clark

girl market, were being tried. The state alleged that the defendmitted moral offenses against her, sentenced to die July 10. constituting violations of the juvenile court law.

alleged offenses, while crying at the start of the cross-examination.

The question arose as to whether the defense attorneys would be permitted to inquire into Miss Nitto's past life and the judge ruled that such questions tending to show her general mode of living were permissible on cross-examination.

Miss Nitto admitted, just before er, jewelry and clothing. court adjourned, that she had was born in 1908.

The trial will be resumed tomor-

DISCUSSES PLAN FOR **PRISON**

No Opposition Voiced Toward Much Needed County Jail Here

Builders Agents Talk To Commissioners About Project

That Clark county may look forward to some definite action on the long agitated plan of building a county jail on the present court-house grounds, was indicated at yesterdays meeting of the county commissioners during an informal conference with representatives of firms who are interested in building the

The fact that material and construction costs were low at the present time added to the impetus of the project, and each member of the board signified that he was in favor of the work. These statements however, were not official. In view of the fact that no public disapproval of the plan has been voiced, it is believed that the commission will sanction the building

of the jail, probably at the next meeting. At this meeting a committee of the chamber of commerce which has conducted an independent survey of the feasibility of the program, will submit a report. PROJECT RECALLED It was recalled to the commission by District Attorney Harley A. Harmon that at the time the present ponents registered protest. He said that the county office building at
