# ACTUAL HOTEL **WORK STARTS ON MARTIN** CORNER

Silvagni Forms Crew And Clearing Of Property Started

Three Story Edifice To Devote Lower Story to Shops

Actual work was started on the new hotel, office and store building which will be erected on the former Martin property at Second and Fremont streets.

BACK TO STAY

Having given orders fifteen days ago that all but nesses and occupants must be moved, P. O. Silvagni, former Price, Utah, business man and now the latest member in the larger business circles of Las Vegas, arrived here Friday with his son, Carl Silvagni, to see that the property was cleared.

The office of Youngquist, realtor was removed Friday; the police station equipment is to be moved tomorrow, and a shooting gallery and hamburger stand were to be moved today.

A crew of workmen was immediately recruited by Mr. Silvagni and started work to remove signboards and fence which inclose the property. The next major move will be to take out the floor beams which cover part of the already excavated basement.
TO USE CONCRETE

The Silvagni building will be of reinforced concrete, three stories high, and will have a basement seventy by seventy-five feet. The upper floors will probably be utilized by a hotel and for offices while the ground floor will con-

# **POSTAL RUSH** ON INCREASE

Outgoing letters and money orders, from the local postoffice, have shown a marked increase during the last month has compared with those in April, said Postmaster C. K. Ryerse, yesterday.

The letters sent from the postoffice in April numbered 121,000, while the month of May showed an increase to 140,000. Although there was an increase in the number of letters, the stamp sales showed a sight decrease for May. Three thousand forty seven dollars in money orders were issued in the last month | Found walking in a daze in Salt which is an increase of thirty-eight dollars over the month of April There were 991 money orders paid out during April and 1022 during

# PICK OF THE NEWS IS **ASSURED AGE READERS**

BEGINNING on or about June 22 The Las Vegas Age will offer its readers the most complete wire news service of any paper in the State of Nevada, having the combined offering of a full ten hour United Press leased wire service, and its regular service from the Associated Press.

This means that an automatic telegraph-typewriter will be set up in the editorial room of The Age and at the rate of sixty words every minute for ten hours, will pound out news of the world, gathered from the press association's far flung

The Age takes pleasure in announcing this additional service for its readers, and without any ostentation and "ballyhoo", hopes that those who have depended upon The Age, will appreciate this latest addition to give them all the news, and give it right.
