**TOKYO MEDICOS OPPOSE CONTROL**  
TOKYO, June 10 (UP)—Tokyo physicians, members of the Association of Graduate Medical Practitioners, have decided to oppose the birth control movement and shortly will present a memorial to the government to that effect, according to the vernacular press.

Before any national policy with regard to the birth rate—which increases to such an extent that many observers believe the empire within a few years will be unable to support its increasing population—is adopted, the physicians believe the question should be studied carefully and statistics collected showing the influence of birth control on eugenics and social conditions.

Birth control clinics already are operated by social welfare bureaus in the larger cities of Japan.

**Police Find Stolen Goods as Report Made**  
KANSAS CITY, Mo., June 10 (UP)—The Kansas City police force today had one strong supporter in the person of J. C. Rader, sales manager for a mercantile paper company.
