SCHOOL TO TRAIN ALL OF STUDENTS

BLACKSBURG, Va., June 12. (U.P.) —H. B. Redd, director of freshman athletics at Virginia Polytechnic in-stitute here, plans to train "every able-bodied male student" for participation in intercollegiate sports, it has been announced.

Redd has presented his plan to the college administration for ap-

He proposes that specialized training in one or more sports selected by the student be offered under experlanced coaches in physical training classes in place of regular freshman' gymnasium work. Under the plan, first year students will name their favorite sports upon entering the school, and will be given in-struction in these sports two hours each week throughout the season.

-in old ELDORADO with **Charles Topping**

-for twenty-five years I have been an operator in El Dorado Canyon and Searchlight-I went into the canyon on a burro twenty-five years ago-it was a week's trip over and back to Las Vegas in these days-Yesterday I took a Los Angeles man into the canyon and was back by noon-

-I ought to know something about these two camps-if time and experience enlighters us on any sub. STEAM ENGINE IS ject-and I am ready to impart that knowledge to you-and it you have a few dollars to invest -you can benefit by my experience in mining-

-I am a mining man-I knew metgive you plenty of references as to my mining ability and integ-

layout which I have will fascinate

I want from a great many people \$100.00 subscriptions—either cash or the ten payment plan-for a an 18-inch gauge. building and mining project which is being planned by the

El Dorado Gold Eagle Mines, Ltd.

-of which I am general manager and efficer of the corporationplans to build a resort and casino to be known as EAGLES NEST at NOB HILL-

you look down on the COLORA-DO RIVER 3000 feet below youyou see the BOULDER DAM proect frem NOB HILL-you can look into three states-you see the river for seventy-five milesand the climate is cool in the summer. NOB HILL is fifty miles from Las Vegas—just off the Searchlight road—spend next Sunday there-

and here on the rim of the canvon-and everyone that has seen NOB HILL-says it is the most ideal spot for THE resort in all southern NEVADA-

I want financial assistance from the small investor as well as the big investor—I have a lot to effer—and a lot can be made from it—it is a big undertaking—but lots to the following tract of land: with your assistance I will put it over-and I sincerely believe I will

GOLD EAGLE MINES CO., owns twenty mining claims at NOB rough for cultivation." HILL-a part of the famous El Derado canyen mining districtthis is a highly mineralized group of claims-other claims will be

The last shipments I made from NOB HILL was in 1929-and I expeet now to be in a position fi-nancially to open up shipping ore and actually ship within three to

six months -OUR FIRST OFFERING-will be at ten cents per share (\$1.00 par value) and with each \$100.00 or more subscription— the corporaa-tion will issue to you their ORE NOTE - paying six per cent interest—the note to be liquidated from 50% of the one shipments— when these notes are payed off with the 6% interest it leaves you

your stock which has cost you nothingfrom time to time-the first adsince to be made within the next

two weeks I have endeavored to outline my proposition at NOB HILL-more particulars will be mailed you-I certainly would like a personal in-

terview with youend me ten dollars today-and make a start-

PILOT COMPLETES RIVER AIR CHART ST. LOUIS, June 12. U.S -After we years of work, Captain Tem

Posey, a river pilot, has completed a map of the Mississippi river. The map. 277 feet long, traces the river from St. Paul, Minn., to Mc-Call's Flat, eighteen miles below New Orleans. The map is drawn in colors. Posey worked on the map while piloting a boat. He gathered his material by riding packets and low boats.
