

MESSRS. SHARKEY, SCHMELING SIGN FOR NEW YORK BATTLE; JACOBS AND JACK NEAR BLOWS

Jacobs Sarcasm Lost On Pugnacious Fighter

By HENRY McLEMORE (United Press Staff Correspondent) NEW YORK, Jan. 22. (U.P.)—With enough cameramen to photograph the whole of Australia in attendance, Max Schmeling, heavyweight champion of the world, and Jack Sharkey, the bad sailor man from Boston, today signed contracts calling for them to meet in a 15-round title bout somewhere in June, somewhere in New York.

tion's customary 37 1/2 per cent; Sharkey the challenger's usual 12 1/2 per cent. The New York state no-foul rule will not be waived. Sharkey's contract called for him, win or lose, to make his next fight after the title bout under the Garden's banners. Schmeling, or rather Jacobs, representing the champion, who was at his hotel busily engaged in packing for his departure on the Europa tonight, made a similar promise, only he didn't make his in writing. Between the time the conference adjourned and the contracts were signed, both parties repaired to a quiet place to study the papers. This deep study was necessitated, Johnston said, because of the clause involving moving picture and radio rights. Apparently this problem was worked out to everybody's satisfaction. Johnston also revealed that Jacobs and Sharkey came close to physical combat at one point in the meeting. During the discussion of terms, Jacobs told Sharkey that unless his memory was up to some he'd fight for nothing, just for another chance at Schmeling. "Being as you said that, Jack," Jacobs said, "we'll just take your 12 1/2 per cent too."

HERMAN HICKMAN

Herman Hickman, "little giant" last season of the University of Tennessee's line, soon will be ready to do battle with the Terrible Turke, Horrible Huns, Murderous Magyars and the rest of the current wrestlers. Hickman is shown in above picture as he appeared shortly before going in training in New York. He weighs 220 pounds

KNOXVILLE, Tenn., Jan. 22. (U.P.)—The wrestling game has lured another college football star—this time Herman "Little Giant" Hickman, 220-pound University of Tennessee guard. "I'm entering the wrestling game," Hickman said, "because I like to wrestle. And, of course, the financial end is attractive." Last summer he spent many hours working out with Rudy Dusek, professional, when Dusek appeared on Knoxville programs. Hickman this winter has been popular as a referee at local mat shows. Hickman is only 20 years old. His sinewy muscles are packed into a bulky frame of five feet, ten inches in height. He is a native of the east Tennessee mountains. Fame as a football player came this season—his senior year at Tennessee. Fast and agile, he ploughed through opposing teams to smear their plays and opened wide holes for his own backfield men. He was a member of the all-eastern team that met and defeated the all-western eleven at San Francisco New Year's day. He was named on the Associated Press all-Southern football team, and on the third all-American eleven.

PETROLLE KO'S POLE IN 6TH CANTO OF BOUT

Aspiring Youngster Wrecked by Fargo Express At N. Y.

By LEO H. PETERSEN United Press Staff Correspondent MADISON SQUARE GARDEN, NEW YORK, Jan. 22. (U.P.)—Billy Petrolle, the Fargo express, wrecked another aspiring youngster tonight when he knocked out Eddie Ran, Polish welterweight, in the sixth round of their scheduled ten round bout. A hard right to the chin was the blow that gave the North Dakota battler victory. He had pounded Ran groggy with body punches and landed the knockout punch in 1:38 of the sixth. It had been Petrolle's fight all the way. He sent Ran to the canvas three times in the first round, once for the count of nine, but the blow that really started the finish of Ran was a hard left to the body in the third round, the only round, incidentally, that the Polander won. Ran came back strong after the knockdowns in the first round and late in the second session landed two stiff rights that shook Petrolle. The Fargo express took the body and kept Ran on the defensive. Petrolle had Ran groggy in the fourth session, but Ran started out strong at the beginning of the fifth. It was only a flash in the pan, however, for Billy came back with a volley of left hooks to earn a draw. They sparred around in the center of the ring to start the sixth round, with Petrolle continually aiming for the body. They had just broken from a clinch when Billy crashed over the right to end the fight. The victory put Petrolle in position for a bout against Lightweight Champion Tony Canzoneri. He also is in line for a contest against the winner of the Lou Brouillard-Jackie Fields bout at Chicago next week. The latter are fighting for the world's welterweight championship. Petrolle weighed 140 1/2, and Ran 145.
