AIR TRAVEL

We read in a dispatch from Fredrichshafen, Germany, that the Graf go to trial. Zeppelin is being placed on regular schedule for flights from Germany to Buenos Aires.

A small boy, Rudi Lang, aged 5, be a passenger in the next voyage dence. of the Graf, sent by his parents to relatives in South America.

IN JERUSALEM

Speaking of travel, a story we read in yesterday's Age tells of the tragic end of a Los Angeles man. Israel Wolf, a tourist from the Angel City, was found dead, his ut, in a lonely field near Jerusalem.

The case is mysterious in that the dead man's money, something like \$3,200, was found in his clothes:

The most likely explanation of the death probably is that the old man just wanted to pass over the dark river in the land of his fathers.
