MRS. JACKSON TO OPEN CAFE TODAY

Mrs. Dora Jackson, pioneer Las Vegas resident and business woman, will formally open her new restaurant in the Overland hotel on Fremont street this evening.

The place will be known as Jackson's cafe, and will combine excellent, home cooked food, with moderate prices. The opening of this new restaurant will give employment to ten people. So far as possible, local people have been hired.

Mrs. Jackson came to Las Vegas with her husband 28 years ago from South Dakota. For more than thirteen years they owned and managed various restaurants in this city. Until the time of his death, almost two years ago, Mr. Jackson took an active interest in business and politics in this community.

Modern, high class equipment has been installed throughout the cafe and a number of individual booths will afford privacy for family dinners.

Dairymen in Oregon earned five per cent on their investment last year, according to the state dairy department.

If Mrs. A. H. Harrington will call at The Age office, she will receive a free ticket, good for today only at El Portal theater.
