SWIMMING SEASON HERE TO OPEN AT LORENZI'S TODAY; BIG CROWDS ARE EXPECTED

Water Carnival is Scheduled For Saturday Night At Famous Lake Resort

Swimming season for Las Vegas will open officially Sunday, May 15, according to announcement made yesterday by D. G. Lorenzi, of Lorenzi swimming pool. The great outdoor tank at his resort will hold formal opening Sunday, following a night of water sports and exhibitions Saturday night.

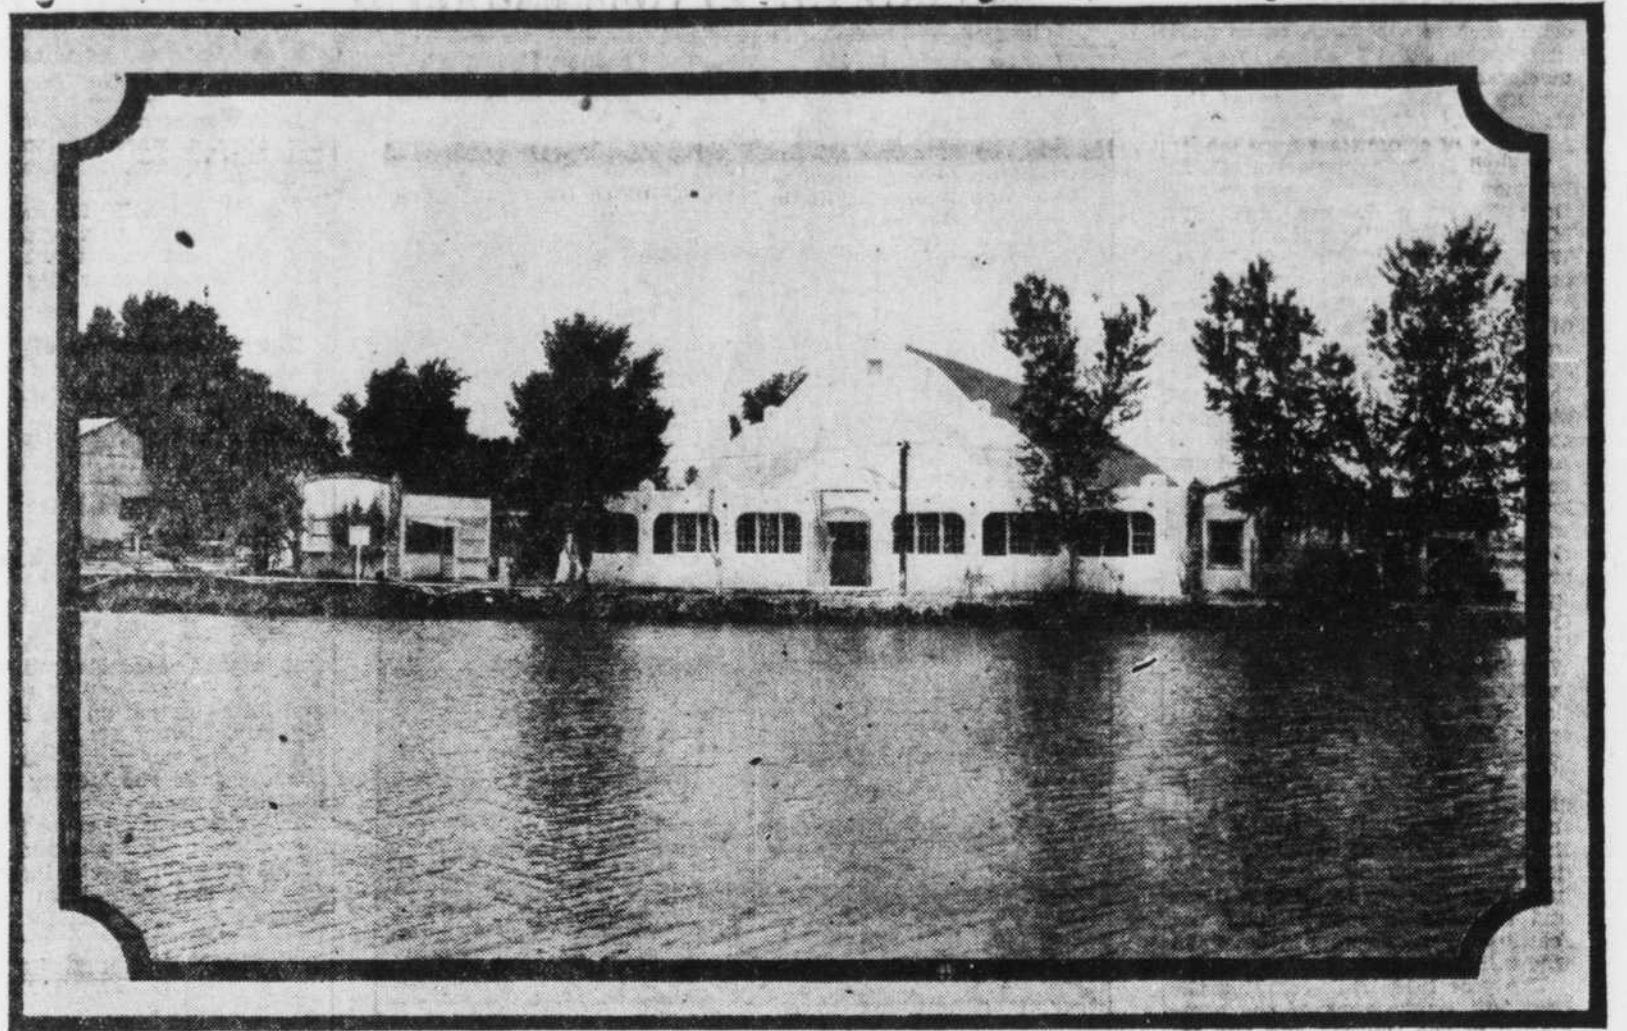

MERCHANTS RESPOND TO SWIMMING SEASON WITH NEWEST OF COSTUMES

Responding to the formal opening Sunday of the famous Lorenzi lake pool, practically every merchant in Las Vegas with bathing suits in stock is offering special prices on new suits for today and Saturday.

WILEY FILES SUIT AGAINST P. L. LACY

Roland G. Wiley, Las Vegas attorney, filed suit yesterday in district court against Myrtle Lacy and P. L. Lacy for the recovery of \$1,240 due Rush Harris, client of counsel, for wages, a share of profits and rent on the filling station the defendants have been operating near Railroad Pass.

GARDEN SPOT IN NEVADA DESERT

Looking at the dance pavilion of Lorenzi lake park from one of the islands in the artificial lakes. A veritable oasis in the desert, the resort is cool, shaded with innumerable trees, and includes swimming pool, dance pavilion, picnic grounds, and boating facilities.

LORENZI LAKE DANCE PAVILION INTRIGUING SPOT FOR DANCERS

Can you imagine anything more intriguing than a visualization of a perfectly appointed dance pavilion, on the shores of a rippling, moon washed lake, in the midst of the desert, with the gay laughter of a merry crowd of dancers, drifting across the erie waters, on the wings of limpid breezes from the distance azure, sky piercing peaks of the mountains of old Nevada?

come to this pavilion three nights a week and dance to the lilting strains of Al Johnson and his Green Jackets, undoubtedly the finest orchestra that has ever visited our city. If you wish, you can take a plunge in the pool a few paces away, or rent a canoe and take a leisurely voyage across the limpid waters of the lake, lose yourself completely from the material cares and worries of the every-day world, and dream and build air castles to your heart's content.

NAMED TRUSTEE
