The Picture They Couldn't ugh Praise Enough-

They came. They saw. They were conquered. Public and press alike have been lavish in their praise.

"'Arrowsmith' Makes Bid as Season's Best Picture," was the way the New York World-Telegram heralded the motion picture reproduction of Sinclair Lewis' Nobel Prize novel. Millions have already thrilled to its stirring drama, its tender romance, its virile realism.
"Arrowsmith" is the most talked of picture today. It is an experience everyone must live. You will be asked your opinion. See this great entertainment

No other age could have told this story - No other world has known such a man-fighting humanity's battles - his restless mind searching for truth - his steadfast heart clinging to the woman he loved.
