EXERCISES HELD BY BOULDER CITY GRADE SCHOOL PUPILS

The first school semester in the history of Boulder City came to an end last Friday afternoon when Mrs. Bissel closed the doors of her "Y" school, after appropriate exercises and a graduation ceremony.

The following students were enrolled on the roster of the "Y" school during the last school year: Leo Q. Baltazar, Billie Barkley, Robert Barkley, Foster Barkley, Beverly Denney, Jimmie Denney, Stanley Denney, Victor Fitzpatrick, Richard Faulkner, George Woody, Barbara Jean Sherwood, Evelyn Singleton, Joey Rhodes, Harry Ramsey, Yappy Neuringer, Alfred McKay, Gladys Livingston, Electa Livingston, La Verne Funston, Tommie Godby, Ruby Hansen, Violet Hansen, Junior Holland.

The above students all passed with honor, after having missed more than five months of the school year, due to a lack of facilities on the reservation.

Mrs. Bissel organized a small home-school and through earnest endeavor and hard work, succeeded in putting the children through a nine month course of work in three and one-half months.

Many of the parents of the children attending the school of Mrs. Bissel, were present for the closing exercises which included singing, recitations and readings. After refreshments had been served, the students presented their teacher with a silver loving cup, engraved with a picture of the Hoover dam project as it will look when completed.

Mrs. Bissel will leave later this week for her home in California. Unless provisions are made for the erection of a high school in Boulder City during the summer, the following graduates of the eighth grade class of the B. C. school will be enrolled in the Las Vegas high school next fall:

Donald Steiss, Wanda Reynolds, John Williams, Virginia Julian, Richard Rose, Edna Griffith, William Laing, Ruth Moss, Fepher Pearce, Merle Shields, and Lauretta Grimm.

These students comprise the first class to ever graduate from a school in America's fastest growing city. Their teacher was Mrs. Gossett. She also taught the seventh grade.

B. C. POPPY SALE PLANS ARE MADE

Plans for the annual Poppy day sale, to be held next week, were discussed. It is the hope of the committee to raise at least \$350 for the Legion by the sale of the little red flowers.

Members of the Auxiliary visiting committee took a number of magazines and a gallon of ice cream to ex-service men who are confined in the Boulder City hospital, during the past week. Margaret Moran and Katherine Smlanick were in charge of the visitors.
