MARKETS AT A GLANCE

By OTTO E. STRUM
United Press Financial Writer
NEW YORK, June 17. (U.P.)—A quiet decline that had been going on for the greater part of the session on the stock market today was turned into a minor rout in the late trading when wheat prices at Chicago broke two cents a bushel to new lows for the season.

The stock market, which had been giving ground grudgingly because of a lack of buying rather than any particular anxiety to sell, reacted to real liquidation when wheat slumped and closing stock quotations were about 1 to 3 points lower.

Volume of trading was very light. Wall street taking the sidelines to await some definite turn in the straits in the business wind.

Oil stocks and issues of sugar companies fared comparatively better than other groups throughout the session, but were included in the late setback. Gasoline price advances and the brisk activity in the sugar futures market accounted for the early interest displayed in these issues.

Auburn Auto was taken for a selling ride after having been petted by the bulls for the last few sessions at the expense of the shorts. This issue opened at 72 3/4 and never went above that level, its closing price, where it was off almost 10 points.

J. I. Case was hard hit by the crash in wheat, which resulted from the fact that wheat fields in the southwest are yielding a bigger harvest than was expected. Case common broke nearly 3 points and the preferred 6 points.

Steel, American Can, Allied Chemical, Westinghouse Electric and Du Pont, which had been holding fractionally under the previous final levels most of the season, were seized with acute weakness in the late trading and closing prices were 2 to 3 points lower.

After a steady to firm opening railroad stocks joined the decline in other sections of the list, many traders taking profits made in yesterday's sharp rise in the group. Atchafalaya closed 2 3/4 points lower at 27 5/8, while Union Pacific closed at 27 1/4.

Weakness in American Telephone, which closed 3 1/4 points lower at 84 1/4 unsettled the entire public utility group and net losses of 1 to more than 2 points were made by Columbia Gas, Public Service, North American and others of that ilk.

EXPECTED HOME
Mrs. Mima Stewart and daughter, Helen, Mrs. Vivian Dimock, Mrs. LaVerna Whipple, Mrs. LaPrele Bunker and Mrs. Sophia Potter are expected to return some time today from St. George, Utah, where they have been spending the past several days on a combined business and pleasure trip.
