

Nevada Man Gets First U. S. Corn-Hog Check

Here's the first regular Corn-Hog payment check received by any farmer in the United States, and it went to a Nevada rancher. G. L. Linscott, Treasurer of the Corn-Hog Production Control Association of Lyon County, who received the money, is being congratulated by Otto Schultz, Lyon County Agricultural Extension Agent and Treasurer of the Association.

BUILDING PROGRESSES

Extensive alterations on the building at Flirt and Fremont, formerly occupied by the Silver State Market, are making satisfactory progress.

Frank Gusewelle, with his Texaco Oil Company agency, expects to occupy the new location about August first.
