MINE IS SHIPPING

AUSTIN — Regular weekly shipments of selected ore from the Star of the West mine at Gold park and of small quantities of gold bullion recovered by the small pilot mill continue.

Seven tons of ore per week went by truck directly from the mine to the Selby smelter in California, while at the same time gold bullion was sent to the U. S. mint at San Francisco. —Denver Mining Record.

Fish Story

Miss Florence Robbey is the narrator of a new kind of fish story—the smallest. The pretty devotee of Isaac Walton displays a 57-pound baby marlin, the smallest swordfish ever caught at Catalina Island, Calif.
